IMPORTANT!
Daily attendance is crucial to your child's academic success and self-confidence at school. If they miss a day, they miss out on learning and practicing new skills. 2 absences every month from Sept-June is the equivalent of missing one month of school. School begins at 8 am. Breakfast is served starting at 7:30 am in the main building for grades K-5. 3K and Pre-K breakfast is served in the classrooms at 8 am.
