INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Global Compact Network USA, Inc.
New York, New York

Opinion

We have audited the financial statements of Global Compact Network USA, Inc., which comprise the statements of financial position as of December 31, 2025 and 2024, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Global Compact Network USA, Inc. as of December 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Global Compact Network USA, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Global Compact Network USA, Inc.'s ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Global Compact Network USA, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Global Compact Network USA, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Crowe LLP

NOTE 1 - ORGANIZATION

Description of Organization: Global Compact Network USA, Inc. (the “Network”) is a 501(c)(3) local network chapter of the United Nations Global Compact. Global Compact Network USA, Inc. is an independent, self-governed and self-managed entity that works closely with the UN Global Compact (the “Foundation”) and acts as a point of contact for UN Global Compact participants and signatories in the United States. The Network’s mission is to help companies identify sustainability challenges and opportunities, provide practical guidance for action and promote action in support of the UN Global Compact by utilizing the ten principles. The ten universally accepted principles reside in the areas of human rights, labor, environment and anti-corruptions and to act in support of UN’s broader goals.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements for Global Compact Network USA, Inc. have been prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (“GAAP”). GAAP requires, among other things, that the financial statements report the changes in and total of each net asset classes, based upon donor restrictions, as applicable. Net assets are classified as without donor restrictions or with donor restrictions as described below:

- Without Donor Restrictions Net Assets: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing in primary objectives of the Network. These net assets may be used at the discretion of the Network’s management and the board of directors.
- With Donor Restrictions Net Assets: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature, those restrictions will be met by actions of the Network or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

The Network had no donor restrictions of a temporary or permanent nature as of December 31, 2025 and 2024.

Use of Estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash: Cash consists of cash on hand as well as bank deposits in accounts that are federally insured up to \$250,000 per financial institution. As of December 31, 2025 and 2024, cash balances exceeded insured amounts by \$1,033,520 and \$575,491, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Securities: Investment securities, principally consisting of money market funds, marketable equities, exchange-traded funds and corporate bonds, are valued at their estimated fair value in the statements of financial position. Estimated fair values are determined primarily from quoted market prices where available, or quoted market prices of comparable instruments, where prices are not available. Earnings on investments, including interest, dividends, and realized and unrealized gains and losses are reported in the statements of activities as changes in net assets without donor restrictions unless their use is restricted by donor stipulations.

Fair Value Measurements: Financial Accounting Standards Board ("FASB") defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Network's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

FASB establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Contributions: Contributions that are expected to be collected within one year are recorded at net realizable value. Contributions are recognized when cash is received. Contributions received with specific donor restrictions are recorded in the class of net assets with donor restrictions. All other contributions are recorded as without donor restrictions. When the stipulations from contributions with donor restrictions have been met in the year of donation, they are reported as without donor restrictions.

Revenue Recognition: The Network and Foundation have an agreed-upon revenue sharing model, whereas the Network shall invoice, collect and manage all contributions from participants and signatories within the United States. The Network shall remit 50% or 70%, based on the participant's annual revenue, of all collections to the Foundation within 15 days of each fiscal quarter end. The remaining collections are to be used to cover operational costs associated with furthering UN Global Compact's mission.

Functional Allocation of Expenses: The costs of providing the Network's programs and supporting services have been summarized on a functional basis on the accompanying statement of activities. Accordingly, certain costs have been allocated between program and supporting services based principally on specific identification and employee time allocations.

Tax Exempt Status: The Network is a not-for-profit corporation and has been recognized by the Internal Revenue Service to be exempt from income taxes under 501(c)(3) of the Internal Revenue Code.

(Continued)

GLOBAL COMPACT NETWORK USA, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

GAAP prescribes recognition thresholds and measurement attributes for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. Tax benefits or liabilities will be recognized only if the tax position would “more-likely-than-not” be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized will be the largest amount of tax benefit or liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit or liability will be recorded. Management has concluded that they are unaware of any tax benefits or liabilities to be recognized at December 31, 2025 and does not expect this to change in the next 12 months.

The Network would recognize interest and penalties related to uncertain tax positions in interest and income tax expense, respectively. The Network does not have amounts accrued for interest or penalties as of December 31, 2025 and 2024.

Subsequent Events: Management has performed an analysis of the activities and transactions subsequent to December 31, 2025 to determine the need for any adjustments or disclosures to the financial statements for the year ended December 31, 2025. Management has performed their analysis through October 7, 2026, the date the financial statements were available to be issued.

NOTE 3 - RELATED PARTIES

During the years ended December 31, 2025 and 2024, the Network remitted \$3,741,875 and \$3,090,317, respectively, to the Foundation in relation to the contributions received by the Network that are to be remitted to the Foundation. As of December 31, 2025 and 2024, the Network owes \$957,594 and \$1,400,058, respectively, to the Foundation for contributions received, but not yet remitted, which is included within Due to Foundation on the accompanying statements of financial position.

NOTE 4 - INVESTMENT SECURITIES

The Network carries its investments at fair value, which is determined by reference to published market values and information obtained from securities dealers. Unrealized gains (losses) are computed by comparing the fair value to the cost of the underlying security.

Interest and dividends and realized and unrealized gains and losses on investments are comprised of the following for the years ended December 31:

	<u>2025</u>	<u>2024</u>
Interest and dividends, net	\$ 40,510	\$ 31,691
Net realized gain on investments	28,858	6,264
Unrealized gain on investments	<u>149,923</u>	<u>63,461</u>
Total realized and unrealized gain on investments	<u>178,781</u>	<u>69,725</u>
Total investment income, net	<u>\$ 219,291</u>	<u>\$ 101,416</u>

(Continued)

GLOBAL COMPACT NETWORK USA, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 4 - INVESTMENT SECURITIES (Continued)

The fair value of investment securities on the accompanying statements of financial position was as follows as of December 31:

	<u>2025</u>	<u>2024</u>
Marketable equities	\$ 367,383	\$ 291,101
Mutual funds	841,437	852,333
Fixed income	<u>1,211,007</u>	<u>964,519</u>
	<u>\$ 2,419,827</u>	<u>\$ 2,107,953</u>

NOTE 5 - FAIR VALUE MEASUREMENTS

Investments in certain marketable equities and exchange-traded funds are valued at the price of shares at year end using market prices in active markets (Level 1). Level 1 instrument valuations are obtained from real-time quotes for transactions in active exchange markets involving identical assets. Money market funds, certain marketable equities and corporate bonds are designated as Level 2 investments and valuations are obtained from either readily-available pricing sources for comparable instruments or a bid in an active market.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Network believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Network's policy is to recognize transfers in and transfers out of the various levels as of the actual date of the event or change in circumstances that caused the transfer. There were no transfers during the years ended December 31, 2025 and 2024.

GLOBAL COMPACT NETWORK USA, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 7 - LIQUIDITY AND AVAILABILITY

The following represents the Network's financial assets available to meet general expenditures over the next twelve months as of December 31:

	<u>2025</u>	<u>2024</u>
Financial assets at year end:		
Cash	\$ 1,283,520	\$ 948,455
Investment securities	<u>2,419,827</u>	<u>2,107,953</u>
Total financial assets	<u>3,703,347</u>	<u>3,056,408</u>
 Investments with liquidity horizons greater than one year	 <u>(857,203)</u>	 <u>(713,993)</u>
 Financial assets available to meet general expenditures over the next twelve months	 <u>\$ 2,846,144</u>	 <u>\$ 2,342,415</u>

As part of the Network's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations come due.
