I am a dependable, motivated, confident, and creative graduate from Algonquin College. I studied in the Graphic Design Advanced Diploma program. I have experience working with Adobe Design applications and Microsoft 365, including Illustrator, InDesign, Photoshop, After Effects, Word, and Excel.

Employment Experience

Old Navy

Sept. 2024 – April 2026

Brand Associate

Working in a retail environment has helped me expand on my client interactions skill, as well as my ability to work alongside a large group.

The Privy Council Office

May 2025 – Sept. 2025

Graphic and Printing Services

Mar. 2025 – April 2025

Student Graphic Illustrator

While doing my fieldwork here, I learned and strengthened many skills; these include multitasking, communicating with clients, and managing time spent on projects. I also had the opportunity to collaborate with coworkers, and work on many unique projects. Since starting my term position here in May 2025, I have had the opportunity to work in both the graphics and printing services. Alternating working between both departments has allowed me to learn as much as possible. I've not only been responsible for creating illustrations, but also worked on a team to produce over 300 books, as well as scanning and digitizing important documents.

The Bargain! Shop

Nov. 2020 – Aug. 2022, May 2023 – Dec. 2023,

May 2024 – June 2024

Sales Associate

In the time that I had worked at this retail store, I developed many skills, such as listening and communicating with customers and doing regular upkeep within the store. I was also tasked with designing retail displays and organized shelves.

Skills

Illustrator

Designing logos, posters, and branding packages.

InDesign

Designing various page layouts.

After Effects

Designing and creating kinetic type videos, 3D landscape videos, and branding packages.

Microsoft 365

Working with excel files, creating PDFs, and using Word documents.

Printing Services

Using and managing plotters, black and white digital press, RICOH's and a vinyl cutter.

Typography

Applying type rules to documents.

Research

Doing market research and learning about clients.

Algonquin College Residence

Aug. 2022 – April 2024

Resident Advisor

Throughout my time as a Resident Advisor, I learned many different skills that have helped me immensely. Some of these include how to peacefully resolve conflicts, and great ways to support the needs of others, along with learning how to enforce community guidelines while keeping a good reputation.

Education

Algonquin College

Sept. 2022 – April 2025

Graphic Design Student

While studying at Algonquin College, I developed a wide variety of graphic design skills such as, learning how to design logos, posters, and page layouts, as well as being educated on proper typography rules, and how to design for web and print by professionals in the field. Throughout my schooling, I have learned how to use many adobe suit applications such as Illustrator, InDesign, Photoshop, and After Effects. I was also taught how to use Figma and Webflow, and am able to use HTML and CSS.

Manitouwadge High School

Sept. 2022 – April 2025

This time of my life was filled with as many activities as I could fit in my schedule, including as many sports as possible, and a couple clubs. Participating in all these extra-curricular activities while exceling in my academics has prepared me for college, and now the work force.
