**€2.6bn**

Final close

**14 April 2022**

Largest ever first time Private Debt Fund raised in Europe

**Pierre-Antoine de Selancy**  
Managing Partner

"We are grateful for the support from our investors and are delighted they share our excitement for this asset class. 17Capital pioneered the NAV financing market in 2008 and it is now a recognized tool for top tier private equity investors to manage their portfolios."
