

*Met trots presenteren wij u onze wijnkaart: een collectie die wij in de afgelopen jaren met grote zorg en aandacht hebben samengesteld. Noem het gerust een beetje verzamelwoede. Samen met onze leveranciers selecteren we wijnen van producenten en wijnboeren met karakter.*

*Onze focus ligt op wijngebieden uit klassieke landen en streken. met een rijke geschiedenis en ieder hun eigen plek, cultuur en verhaal.*

*Onze voorliefde voor onder andere Bourgogne, Bordeaux, Piemonte en de Priorat steken we niet onder stoelen of banken, maar ook gaan we nieuwe ontdekkingen uit minder bekende streken niet uit de weg.*

*Wij bieden bewust geen vast wijnarrangement aan.*

*In plaats daarvan nemen wij graag de tijd om samen met u een passende wijn te vinden.*

*Op de kaart vindt u een zorgvuldig geselecteerde reeks wijnen per glas, speciaal uitgezocht in harmonie met ons menu.*

*Tevens vindt u op de laatste pagina onze Sommelier Selection, een selectie van onze wijnen per fles welke we u van harte aanbevelen indien u niet kunt kiezen.*

*Aarzel niet om ons om advies te vragen – wij denken graag met u mee.*

*We are proud to present our wine list:  
a collection we have curated over the past years with great care and attention.  
You might even call it a bit of a collector's passion.*

*Together with our suppliers, we select wines from producers and winemakers with character.*

*Our focus lies on wine regions from classic countries and areas – each with a rich history, a distinct identity, culture, and story.*

*Our love for regions such as Burgundy, Bordeaux, Piedmont, and Priorat is unmistakable,  
but we also embrace new discoveries from lesser-known regions with enthusiasm.*

*We choose not to offer a wine pairing arrangement.  
Instead, we are happy to take the time to find the perfect bottle for you.*

*On our list, you will find a carefully selected range of wines by the glass,  
specially chosen to complement our menu.*

*On the final page, you will also find our Sommelier Selection –  
a hand-picked selection of bottles we warmly recommend in case you find it hard to choose.*

*Please don't hesitate to ask us for advice – we're happy to help!*
