## ASK RUSTY

### SOCIAL SECURITY MATTERS

by Russell Gloor, National Social Security Advisor at the AMAC Foundation, the non-profit arm of the Association of Mature American Citizens

Ask Rusty – How Do I Navigate the Social Security Maze?

Dear Rusty: I am a woman, turning 65 this October (2025). It seems that deciding when to claim Social Security is complicated. I would like more information to navigate through this maze. Thank you. Signed: Ready to Claim

Dear Ready: Deciding when to claim Social Security can be challenging, but we hope to make it a bit easier for you. You can, of course, call us at any time to speak to one of our certified Social Security Advisors, but I'll share some pertinent information here as well.

Be aware that at age 65, you have not yet reached your Social Security (SS) full retirement age (FRA). Born in 1960, your FRA is age 67, and that is when you can get 100% of the SS benefit you've earned from a lifetime of working. If you claim SS at age 65, your monthly amount will be reduced by about 13.3% from your age 67 entitlement (a permanent reduction). If you wait a bit more and claim at age 66 the reduction would be about 6.7%. To get 100% of your "primary insurance amount" you should wait until age 67 to claim. Note you can also wait longer than your FRA and earn Delayed Retirement Credits up to age 70, when your monthly amount would be about 24% more than your FRA entitlement.

If you are still working, at age 65 you will also be subject to Social Security's Annual Earnings Test (AET) which limits how much you can earn when collecting SS benefits before your full retirement age. The earnings limit for 2025 is \$23,400 (changes annually) and if you earn more than that, SS will take away \$1 in benefits for every \$2 you are over the limit. There is also a special rule for the first calendar year you are collecting

## Galveston's Haunted Harbor Tours Expand Schedule for Halloween Season

Haunted Harbor Tours Returns to Galveston: Ghosts, Storms, and Sunken Secrets Await on the Island's Most Haunted Cruise

Presented by the award-winning Baywatch Dolphin Tours team at Pier 21

Galveston, TX — The dark waters of Galveston Bay hold stories that refuse to rest. This fall — and every night of the year — Haunted Harbor Tours invites guests to step

aboard and uncover them through an immersive, one-hour ghost cruise exploring the island's most chilling maritime legends. Departing from Pier 21, the tour brings Galveston's haunted past to life with atmospheric narration, eerie lighting, and live storytelling.

"Galveston is one of the most haunted cities in America, and many of those ghosts don't walk — they sail," said Craig Corbell, owner of

Haunted Harbor Tours and Baywatch Dolphin Tours. "We talk about the tragedies that shaped this island: the 1900 Storm, the yellow fever epidemic, the sunken ships, and even the proud naval vessels like the Battleship Texas that still loom large in our history. Some of those stories are rooted in fact — others, people swear they've seen for themselves."

early benefits, which will result in you not getting benefits for any month your work earnings are more than \$1950 after your early benefits start. So, if you claim SS at age 65 and continue to work, you won't get any SS benefits in any 2025 month thereafter that you earn more than the monthly limit (unless your total annual; 2025 earnings are less than the annual limit). FYI, the earnings limit no longer applies once you attain your full retirement age.

In the end, deciding when you should claim Social Security should consider your need for Social Security money, your life expectancy, your plans

A Journey Through Galveston’s Haunted Past

Haunted Harbor Tours carries up to 48 guests per cruise, with as many as six tours running nightly during peak seasons and weekends. Each voyage explores the harbor’s eerie landmarks and the ghostly echoes of Texas history, including:

- The Great Storm of 1900, which claimed more than 6,000 lives and re-shaped Galveston forever.
- The yellow fever epidemics of the 1800s, when ships brought both commerce and catastrophe.

Sunken ships and lost souls said to linger just beneath the surface of Galveston Bay.

The Battleship Texas, a monument to American resolve that served in both World Wars — and whose wartime spirits are said to still stand watch.

The retired WWII vessels USS Stewart and USS Cavalla at Seawolf Park, resting relics of valor and sacrifice.

The concrete ship SS Selma, a haunting artifact of wartime experimentation and engineering.

“This tour really brings together all the pieces of Galveston’s story — our history, our ghosts, and our harbor,” said Lori Ferro, Tour Manager. “You’ll hear about the men who braved storms, the families who rebuilt after tragedy, and

for working, and your marital status. If you are (or were) married, you might be eligible for a spousal (or ex-spouse) benefit. You may also want to peruse the Social Security Q&A section at our website [www.SocialSecurityReport.org](http://www.SocialSecurityReport.org). So, as you have already discerned, deciding when to claim Social Security can be confusing, but we are always here to assist you as needed. You can either call us directly at 1.888.750.2622 or email your specific Social Security questions to us at [SSAdvisor@amac-foundation.org](mailto:SSAdvisor@amac-foundation.org). In either case, we will be most happy to help you decide when to claim, based on your unique personal circumstances.

the mysteries that remain unsolved. It’s spooky, but it’s also a powerful reflection of Galveston’s resilience.”

A Year-Round Experience for Visitors

Unlike many haunted attractions, Haunted Harbor Tours operates year-round, with expanded schedules each October. The evening cruises combine historical storytelling and ghostly legend with stunning nighttime views of the Galveston waterfront, offering a unique experience for visitors in every season — from spring breakers to cruise travelers and winter weekenders.

- Tours Nightly: Year-round (up to six per night during peak periods)
- Capacity: 48 passengers per vessel (Coast Guard–inspected)
- Tickets: \$45 per person
- Booking: [HauntedHarborTours.org](http://HauntedHarborTours.org)
- Business Phone: (409) 204-5616
- A Legacy of Galveston Storytelling
- Haunted Harbor Tours is part of Galveston’s most award-winning fleet, operated by the team behind Baywatch Dolphin Tours, Galveston Historical Harbor Tours, Galveston Sunset Tours, and Galveston Burial at Sea. The company has been recognized as Best Attraction by The Galveston Daily News and Best Guided Tour by [Galveston.com](http://Galveston.com) for 2025.

“People visit Galveston for its beauty and its history,” added Corbell. “But they come back because the island has a soul — and our tours let them feel that soul, whether it’s through laughter on our dolphin cruises or chills on our haunted ones.”

Haunted Harbor Tours is part of the locally owned and operated Baywatch fleet — Galveston’s leader in on-the-water experiences for more than two decades. From playful dolphins to spine-chilling ghost stories, the company’s tours highlight Galveston’s history, resilience, and maritime spirit — 365 days a year.
