☎ 289-839-9418

📍 Ontario, Canada

Skills

- InDesign
- Illustrator
- Photoshop
- Figma & Canva
- Web Design
- After Effects

Education

Humber Polytechnic
College Advertising
and Graphic Design
Diploma - April 2025

Outlook

As a junior graphic designer what do I look for? A dynamic position where I can use my skills in the Adobe Creative Suite plus skills in Figma to create visually compelling designs. I look forward to contributing to innovative projects while further developing my skills. My goal is to grow within a collaborative environment that encourages creativity.

Relevant Experience

- Shown skills to design and make logos, web/app design using Figma, creative advertising/campaigns, illustrations, photoshop, typography, create and design magazines/papers, knowledge in marketing, and copy writing skills
- Use of design elements and visual hierarchy.
- Worked with teams to complete projects and designs.

Job Experience

2 Month internship at Funktasy - Record Label & Magazine. Where I worked on designs for social media. Additionally I worked on and with the social media team to create post and post on platforms such as Instagram, Facebook, TikTok, LinkedIn, X(Twitter)

Qualifications

- Hard working
- Attention to detail
- Leadership development
- Independent learner
