EUROPE

PRAISE GOD:

- Success of the digital evangelism campaign that we ran in Teesside following the festival:
 - 3,000 people heard the Gospel through the digital campaign and another 178 indicated a decision for Jesus, adding to the 1685 commitments made at the festival.
- 40 Alpha courses are now running in Teesside as part of our post festival strategy. That is a total of 85 courses that have been run over the 18 month period of work in that region.
- Successful leaders gathering in Zagreb.
- This week we held a really positive leaders meeting in Cardiff as the leaders are exploring the possibility of working with us towards a united evangelistic event in the city. It turned out to be quite a historic event bringing together 40 of the 100 Christian leaders for the first time!
- 2025 and 2026 are looking busy – including festival opportunities opening up in Europe.

PRAY WITH US:

- Festivals:
 - We are currently in advanced talks with Christian leaders in Albania & Croatia, as well as Rushden & Cardiff in the UK, and are having early exchanges with church leaders in Poole, UK. There is a high likelihood that we are going to have the opportunity to run two festivals a year for the next couple years.
 - Please pray as we work with the various leaders to decide upon dates, and for our team that we would be ready to juggle these various commitments.
- Digital:
 - In November we will be filming for two new campaigns. One will take Festival Teesside as an example to demonstrate how the 4 streams of Palau can work together to impact a city holistically through a long term relationship. The other will be capturing a testimony to use in 2025 for a digital evangelism campaign.
 - Please pray for everyone involved that our gifts work together to produce something excellent and impactful for the kingdom.
- CGM:
 - Please pray for us as we beginning to identify regional evangelists in our E-Team cities.
 - We are grateful for the strengthening partnership that we now have with Kairos connections. This organization has links with 15 UK cities, each with united leaderships working together for Gospel saturation within their regions. We are being introduced to each of these city movements with the view to set up an E-Team in each city, e.g. Liverpool, Sheffield, York, Basingstoke, Nottingham, Lincoln and Ipswich.

- Next month we are taking a couple of guests to the E-Teams Lab in the US. Please pray for those that we are taking.
- GNE:
 - Please pray for us as we look to plan collaborative missions using our GNE Evangelists ahead of the festivals in Croatia and Albania.
 - This week Justin has been talking with 91 Balkans pastors, evangelists, and ministry leaders at a conference in Sarajevo exploring how we can help them to accelerate evangelism in their cities.
