AFRICA

PRAISE GOD FOR:

- Moving mightily through the September 26-28 Love Zimbabwe Festival. More than 258,600 were reached with the Good News and over 139,700 indicated decisions for Jesus.
- More than 729,800 were reached in person with the Gospel through Love Zimbabwe. More than 237,500 made decisions for Jesus through GNE festivals and outreaches, as well as the week of ministry in Harare prior to the Love Zimbabwe Festival.
- Thousands of people came to the eyeglass clinics to receive glasses. We are praising the Lord that many responded to the Gospel through this outreach.
- Andrew and Wendy, David Chigamba, Anton Myburgh, Henry Kumwenda, Palau staff, GNE, missions team, and each one appointed and anointed to serve and share the Good News of Jesus.
- Leaders and members of more than 5,400 churches that planned, prayed, and participated in unity, grace, and passion for the festival.
- His provision of physical health and safety for Palau staff and the missions team.
- His great faithfulness and the good plans and purposes He has for Palau and Africa.

PRAY FOR:

- Continued strength for all those in ministry in Zimbabwe to keep up the good work in the Lord and to use the excitement from the festival to equip and strengthen the church.
- New believers to be discipled and encouraged in their faith through the local churches and that they will grow and flourish in their relationship with Jesus. Pray that any lies of the enemy are silenced.
- The Love Zimbabwe festival team, including Andrew and Wendy, Palau staff, missions team, GNE partners, and each committee leader and member, to be blessed and filled with the joy of the Lord as they continue faithfully serving as unto the Lord.
- Proclamation of the Good News through Love Zimbabwe to continue to transform hearts and ignite lasting spiritual impact across the nation.

- Continued wisdom and favor for Andrew and Wendy, David, Henry, Anton, Palau leadership and staff, and GNE partners as they continue to seek the Lord's will in future evangelistic outreaches throughout Africa.

ASIA

PRAISE GOD FOR:

- His continued provision for the believers in Asia, as they continue in obedience to the Lord and in the carrying forth of the Great Commission.

PRAY FOR:

- Schedules to allow the delegation from the Chinese Embassy to visit Portland this year.
- As the Palau team plans travel for 2026, we'll be sending letters of greeting for Mid-Autumn festival. Pray for favor over that relationship and that those who receive the letters will be able to help extend the invitations to schedule travel to China next year. We continue to pray for strengthening of relationships between Palau and those in SARA, as that legacy is long and warm.
- The *What is Christmas?* book in China. Ask that the Lord would continue to circulate the *What is Christmas?* books throughout China and the Holy Spirit would stir and create a curiosity about Jesus.
- The *What is Easter?* book in China. With patience, we persist in prayer, asking for an ISBN for and approval of the *What is Easter?* book to be published in China.
- An exciting opportunity to partner with churches in another location for a festival. Pray for discernment about timing and procedure as the team explores this new partnership possibility.

EUROPE

PRAISE GOD FOR:

- We are receiving a large amount of interest from across Europe and the UK for partnership outreaches with more offers than we are able to currently respond to.
- This coincides with a clear increase of interest in the Gospel across our continent – God is setting a hunger in people's hearts and people are searching for Jesus and being drawn to Him.
- Earlier this month, Andrew visited the UK and spoke at 5 speaking engagements across Cardiff and Dorset.
- Our new Palau Website is about to go live! We are so excited about this and it's perfect timing for this new season for us here.
- We asked for your prayers about a filming trip that was taking place in September – it went so smoothly. We are really grateful to God for this. We captured some fantastic material.

PRAY FOR:

- Festivals:
 - Croatia - Zagreb Fest is confirmed for June 2026.
 - This will be another festival with a very short lead in with the associated challenges of organizing a festival in a different country in a different language.
 - There are not many Christians and churches in Zagreb. Please pray that God raises an army of supporters and a united Church for this campaign.
 - Please pray as we try to create the large number of assets that are necessary over the coming couple of months.
 - The festival will have a mission team/grass roots vibe. We won't have a big budget for high levels of events and size, but we will have a central location for outreach with Andrew, affinity events tailored to the size and culture, and the usual build-up of worship, trainings, prayer card strategies, etc.
 - We will be over in Croatia having core team meetings in November with the local leaders.
 - UK - Festival Ilfracombe – North Devon – is also confirmed for July 2026 (4 weeks after Croatia).
 - We will run a family fun day, two nights at the local theatre as the main Gospel sharing venue, a youth night, and a night with West End singers, comedy, magic, stories of transformation and the Gospel preached by Andrew.

- Schools work will be quite key to this campaign. We are confident that we will be able to get our team into Ilfracombe Academy but really need God to provide openings into other local schools.
 - There will be a RE:NEW event, training for local believers, and for the long-term, an E team established.
- UK - Dorset - Light Up Dorset.
 - A team of leaders in Dorset are continuing to generate interest in a season of united outreach. There were over 70 church leaders booked to come along to a vision sharing afternoon that happened on October 12.
 - Please pray for discernment from all parties following this meeting, that everyone present might be able to sense God's heart for the area and how we should be moving forward with this season of intentional mission and if we can aim to have a Dorset festival in the next couple of years. They are super keen on this idea!
- UK - Festival Cardiff is confirmed for May/June 2027.
 - We held a leader's lunch with Andrew on October 10, which was followed that evening by a Cardiff church-wide vision night with prayer and worship for the wider church. This was a chance for Christians to get to know Andrew and Palau, hear the vision and process, and get on board for the festival.
 - Please pray that through both these events in Cardiff, God really impressed on the hearts of all present His desire and love for the people of South Wales.
- City Gospel Movements (E-Teams):
 - Poland – On November 18 and 19, we are meeting with local leaders in Gdansk, Poland to explore and discern a possible festival in Spring 2028 or a series of evangelistic moments in the coming years. Pray these conversations will be fruitful and we can discern next steps.
 - Evangelical Poland and Palau are looking to partners for a nationwide conversation in 2026 looking at E-Teams in multiple cities and strategizing for the nation.
 - Pray for the Teesside E-Team, they are currently progressing with a Listening Tour across the city to hear from leaders about the temperature of evangelism. This tour will help identify activity for the team in 2026.
 - We are delighted to have set up our monthly E-Team mailing which will be sent out to cities and towns we are connected with across the UK and Europe. This newsletter will share stories, best practice, resources, and encouragements for city-wide evangelism.
 - Albania - There is an opportunity for us to host the evangelism stream for the Albanian Leaders Forum next year. Please pray as we determine next steps and

capacity of the team to be involved and the development of the E-Teams in that country.

- Digital:
 - We are just about to launch our digital donor acquisition campaign that features a story from Teesside, captured on film. We really need to grow our donor supporter base.
 - We are still hoping to run a digital evangelism campaign. It was supposed to run this Autumn but was delayed coinciding with the launch of our new website, so this is another campaign that is imminent. We're grateful for the impact stories that we have been able to gather and for the creative skills of our wider team. Now after a lot of thought and time invested the most important outcome is that it's seen by many and that they are introduced to the hope of Jesus through it.
- UK Charity:
 - Please pray for our local fundraising from the UK supporters and ongoing supporter engagement.
 - Please pray for our small but mighty team of 7 of us, they are all awesome and doing a fantastic job.
