

Spring 2026

AFRICA

PRAISE GOD FOR:

- His faithfulness and good plans for Africa, including the Love Ghana Festival and outreaches in Kumasi (October 19-25) and the GNE festivals (March and August).
- The festival venue and accommodations secured for the Love Ghana Festival.
- Office space in a very good location to support festival operations, plus the added blessing of a massive parking lot (free of charge!).
- Suitable team housing where the Palau staff can stay when in Kumasi this year.
- Successful recruitment of committed and capable office staff and team chairpersons.
- Andrew and Wendy, David Chigamba, Henry Kumwenda, Anton Myburgh, Desmond Henry, Palau staff, GNE, missions team, and each one called to prepare and share the Good News of Jesus in Ghana, and beyond.

ASIA

PRAISE GOD FOR:

- His guidance and provision, remembering that while we make our plans, it is God who determines our steps (Proverbs 16:9). Though the plans for 2026 included trips that the team is not able to take, we know that none of this surprises our good God.

PRAY WITH US FOR:

- Wisdom as we await an update in May regarding the events planned in Iraq. The church in Iraq has increasing opportunities to minister to refugees. Pray that He will sustain them and give the team guidance about evangelistic opportunities.
- Open doors in Taiwan. Luis had events in cities in Taiwan in the 1990s, and there appears to be some interest amongst churches about the team returning. Pray for wisdom about how to engage that opportunity and which cities might be the ones to visit, if so.
- Open doors in China. Other organizations doing work for the Good News in China are experiencing the same holding pattern. We pray that any meetings between key leaders will yield the fruit of opportunity for the Gospel.

 - Over 30 million people reached with Gospel ads
 - 11 million people seeing the Gospel presentation
 - 1.5 million indicated decisions for Christ
 - 85,995 new enrollments in email discipleship

PRAY WITH US FOR:

- **Protection over every piece of technology** and software in our evangelism and discipleship processes, for no interruptions in our ability to get the Gospel out and people discipled.
- Continued favor, strategy, cultural and generational relevance, and open doors as we send the Gospel to some of the **hardest-to-reach places**.
- **Rejoice with us** that Hope with God translations in French and Portuguese are launched and reaching people with the Gospel daily across the globe. We are praying to have the material in 30 languages by 2030.
- For vision and direction as we move toward developing a **daily digital Gospel resource**. Ask God to guide and direct us in our creativity and wisdom as we seek to create a new and improved central Hope with God platform with a new focus on collecting and sharing stories. In the age of AI, these stories may have the power to cut through the noisy digital landscape and reach emerging generations in unprecedented ways, while also equipping the global church to share their testimonies.
- **God's protection and guidance over online decision-makers**. Pray they'd follow through with our Made New discipleship program, receive mentorship, get connected in local churches, begin to pray, and engage with scripture. *Especially pray for those whose lives and families are endangered because they decided to follow Jesus.*
- **For the online community to deepen their understanding of scripture**—through weekly Public Reading of Scripture live sessions. Pray for the word of God to become planted and watered in their hearts as we journey with them through the scriptures. That they would truly know God and bear spiritual fruit in their lives.
- For Palau's digital Gospel messages to exemplify best practices in Gospel sharing and form a strong, faithful testimony of Jesus' love that will **lead the way—inspiring, empowering, and shaping the Gospel sharing of the Christ followers around the globe.**
