

Crusher Parts

Cone & Jaw Crusher Parts

We have a wide variety of crusher parts for the Mining, Aggregate and Recycling industries. Our parts are compatible with all major models and brands. We offer 14%, 18% and 22% manganese and have a wide variety of special blends for your specific application. All products are ISO certified.

Application

Our products are specifically designed to perform under the harsh conditions of the rock crushing industry.

Products

- Cone Crushers
Bowl Liner, Mantle, Torch Ring, Feed Cone Plate
- Jaw Crushers
Movable and Fixed Jaw Dies, Upper and Lower
Cheek Plate, Toggle Plate and Wedges
- Horizontal Shaft Impactors
Blow Bars, Impact Plates, Frame Liners
- Vertical Shaft Impactors
Feed Eye Ring, Rotor Tip, Back-up Tip,
Distributor Plate
- Gyratory Cone Crusher
Mantle, Concave Ring, Burn Ring, Head Nut
- Blow Bars
Manganese, Chrome, Ceramic Alloys

Idlers & Conveyor Belts

Idlers

Our idlers exceed the CEMA load expectations. They are interchangeable among different brands and easily installed. All bearings are greased and sealed for life. Our Poly-Shield feature helps increase the lifespan of your system by reducing maintenance and down time.

CEMA Series	B, C, D, E, F
Roll Diameter	4", 5", 6" and 7"
Troughing Angle	20°, 35°, 45°
Belt Widths	24", 30", 36", 42", 48", 54" and 60"
Bearing Type	Sealed Bearing (SB)

Conveyor Belts

Our conveyor belts are designed to work under high impact and abrasive conditions. They offer superior performance for a wide variety of applications in industries such as mining, aggregate and recycling.

Number of Plies	3, 4
Width	24", 30", 36", 42", 48", 60"
Length	Rolls of 100 ft. to 500 ft.
Thickness	Available in a variety of thicknesses for 3 Ply and 4 Ply

3 Ply	Working tension 330 p.w.i. 10:1 Factor of safety
4 Ply	Working tension 440 p.w.i. 10:1 Factor of safety
