About Me:

I am a passionate Support Coordinator with over 12 years of experience in NSW public health and personal experience with caring for and living with a person with a disability. I am dedicated to empowering individuals in their decision-making and building their capacity for self-advocacy.

With extensive knowledge of government, community organisations, and charities, I take the time to truly understand each person and assist individuals to access holistic supports tailored to their unique needs, going beyond the scope of NDIS

My goal is to provide comprehensive support that empowers individuals and enhances their quality of life.
