# Additional Helpful Tips

3. Need to cancel a transfer? Simply, resend the ticket to a new recipient using the steps in slides 3 and 4. The old barcode will be canceled, and the new recipient will receive a new barcode to enter the game.

*\*Please note, the first recipient will still have a physical copy of the old ticket and should be advised to delete them as they will not be accepted at the entrance to the arena.*

4. Once you are in your order and see the list of tickets, there are filters at the top of each column that can be used to search your ticket list by event, price category, seat location, recipient name, etc.
