STATE FINANCIAL ASSISTANCE ACCEPTED!

Before And After School Care

The Washington Subsidy Application Process helps families that are struggling financially, searching for work or in need of low-income child care assistance. Visit the

Families must complete the WCCC application and verification process and will need to provide DCYF with the name and phone number of the childcare provider. Families are not required to have a provider before applying. At Innovation Learning, we're here to support you along the way throughout this process.
