Yes! We are taking new patients at each of our locations (Idaho Falls and Pocatello).

New Patient Special

At just \$49, our New Patient Special includes x-rays, a cleaning, dental exam, and a fluoride treatment. Even if you don't have insurance, this New Patient Special is only \$49. During the dental exam, our pediatric dentists will check out your child's x-rays and examine their teeth for any sign of decay or other issues. If your child hasn't been to the dentist in a long time, this is a perfect opportunity to know what's going on. Please give us a call for any questions or schedule an appointment!

We Accept Medicaid

If you have Medicaid as your primary insurance, that's great! We accept all Medicaid patients, so please don't hesitate to schedule an appointment!
