- All students should be present on the day that they are scheduled to test. If they are not able to attend school on the day that they are scheduled, please contact the office as soon as possible to make arrangements for makeup testing.
- Please send your child a large healthy lunch on testing days. We want to make sure their brains are well fed and their hungry tummies are not distracting during these long testing days. We will provide small candies during testing to aid in concentration.
- Test results will be sent in the mail once they are received from the State of Arizona. We usually receive them in June. Please make sure your address is updated with the office before the end of the school year.
