

**LET YOUR PRODUCTS BREATHE**

**Airflow Hand Film in a convenient case pack**

- ✓ Faster release of heat and moisture
- ✓ Reduction in condensation
- ✓ Reduction in chill time and maintain ideal temperatures

**IT'S TIME TO RETHINK YOUR PACKAGING**

- ✓ Reduction of damages & retains the integrity of secondary packaging
- ✓ Superior Load Containment with our reinforced bands
- ✓ Also great for seasonal challenges of cold filter condensation with summer humidity

Lower your overall packaging costs and speed up time-to-market with AirFlow™, the ultra-strong, breathable vented stretch film that allows heat, moisture and off-gas release while containing your products with a superior holding force.

Description	Code	Size	Rolls/Case	Lbs/Case
Airflow Standard Boxed	WAF04MBX	17" x 1000'	5 rolls/case	28.6 lbs
