

LET YOUR PRODUCTS BREATHE

### SOLUTIONS FOR FOOD PROCESSORS

- ✓ Faster release of heat and moisture
- ✓ Reduction in condensation
- ✓ Reduction in chill time and maintain ideal temperatures
- ✓ Reduction of damages & retains the integrity of secondary cardboard packaging
- ✓ Also great for seasonal challenges of cold filter condensation with summer humidity
- ✓ Superior Load Containment with our reinforced bands

**AIRFLOW IS A  
PROBLEM SOLVER**

### SOLUTIONS FOR PRODUCE & GROWERS

- ✓ Reduces potential mold & mildew on stems
- ✓ Increased air movement (reducing any ethylene build up with some plants & produce)
- ✓ Reduce chill time & maintain ideal temperatures
- ✓ Strong reinforced bands for load stability (fertilizer, seed bags etc)
- ✓ Boxed/Bulk versions for hand film available
- ✓ Reduces the need for extra packaging like cardboard corners, foam blocks etc

Description	Code	Size	Rolls/Case/Pallet
Airflow Standard Boxed	WAF04MBX	17" x 1000'	5 rolls/cs; 36 cs/pallet
Airflow Extended Core Hand Film	WAF03M	17" X 1000'	4 rolls/cs; 60 cs/pallet
Airflow 250 Machine-power stretch	WAF18M	19" x 3300'	40 rolls/pallet
Airflow 200 Machine-power stretch	WAF19M3300	19" x 3300'	40 rolls/pallet
Airflow Standard Machine-low stretch machines	WAF84M	17" x 8400'	40 rolls/pallet
Airflower	WAF161100FL	17" x 1100'	112 rolls/pallet
