

New Donation Platform: CharityEngine

We're excited to introduce [CharityEngine](#), our new donation management platform. This platform will provide our supporters with better tools to manage their giving preferences and access their donation history.

We're committed to providing the best possible donor experience. Don't hesitate to contact us if you have any questions or concerns. If you have any question or concern, please contact our Executive Assistant, Betty Azori, at betty@womensbuilding.org

Ford's Global Caring Month Brings Support to TWB!

During [Ford's Global Caring Month](#), we received a generous grant from [Ford Philanthropy](#). This grant allowed us to install a brand-new water bottle filling station, drinking fountain, and janitorial sink—making our space more accessible and sustainable.

On September 12th, we had the pleasure of welcoming five Ford employees who volunteered their time to assemble hygiene kits and support our staff with various in-house projects. We're so grateful for their hard work and dedication!

If your organization is interested in volunteering with us, please contact our Executive Assistant, Betty Azori, at betty@womensbuilding.org

TWB Hosts Community Panel on Abortion Access

On August 26th, in honor of **International Safe Abortion Day**, TWB proudly hosted a powerful community panel focused on [Abortion Access Through a Reproductive Justice Lens](#).

Our goal was to create a welcoming space for community leaders and experts working within the Latinx community to share their valuable insights on **Reproductive Rights**. The discussion highlighted the critical role abortion plays in women's health across all ages, offering vital information and resources for accessing sexual and reproductive health services.

Panelists addressed the **ongoing challenges to safe and accessible abortion care** and **shared actionable strategies to continue building support and care for all in our community**.

A heartfelt thank you to our esteemed panelists and our dedicated staff. We deeply

appreciate everyone who joined us for this important event, as we continue advocating for a future where reproductive health is accessible to all.

Welcome Gabi to the TWB Team!

Many of you may recall the video we shared with our subscribers, where our CRR intern **Gabriela Yee** reflected on her experiences volunteering at TWB. We are thrilled to announce that Gabi has officially joined our team as a full-time Resource Specialist! We're excited to have her continue contributing to our mission, and you can now reach her at gabriela@womensbuilding.org. Welcome aboard, Gabi!

Keep the Momentum Going!

Latinx Heritage Month isn't over, and we still need your support! Our programs—spanning legal aid, job support, housing, medical care, mental health, and reproductive justice—are driving inclusive social change in our communities. ***Be part of this transformative journey and donate today!***
