

Paekakariki Cottages

Paekakariki Hill Road, Pāuatahanui

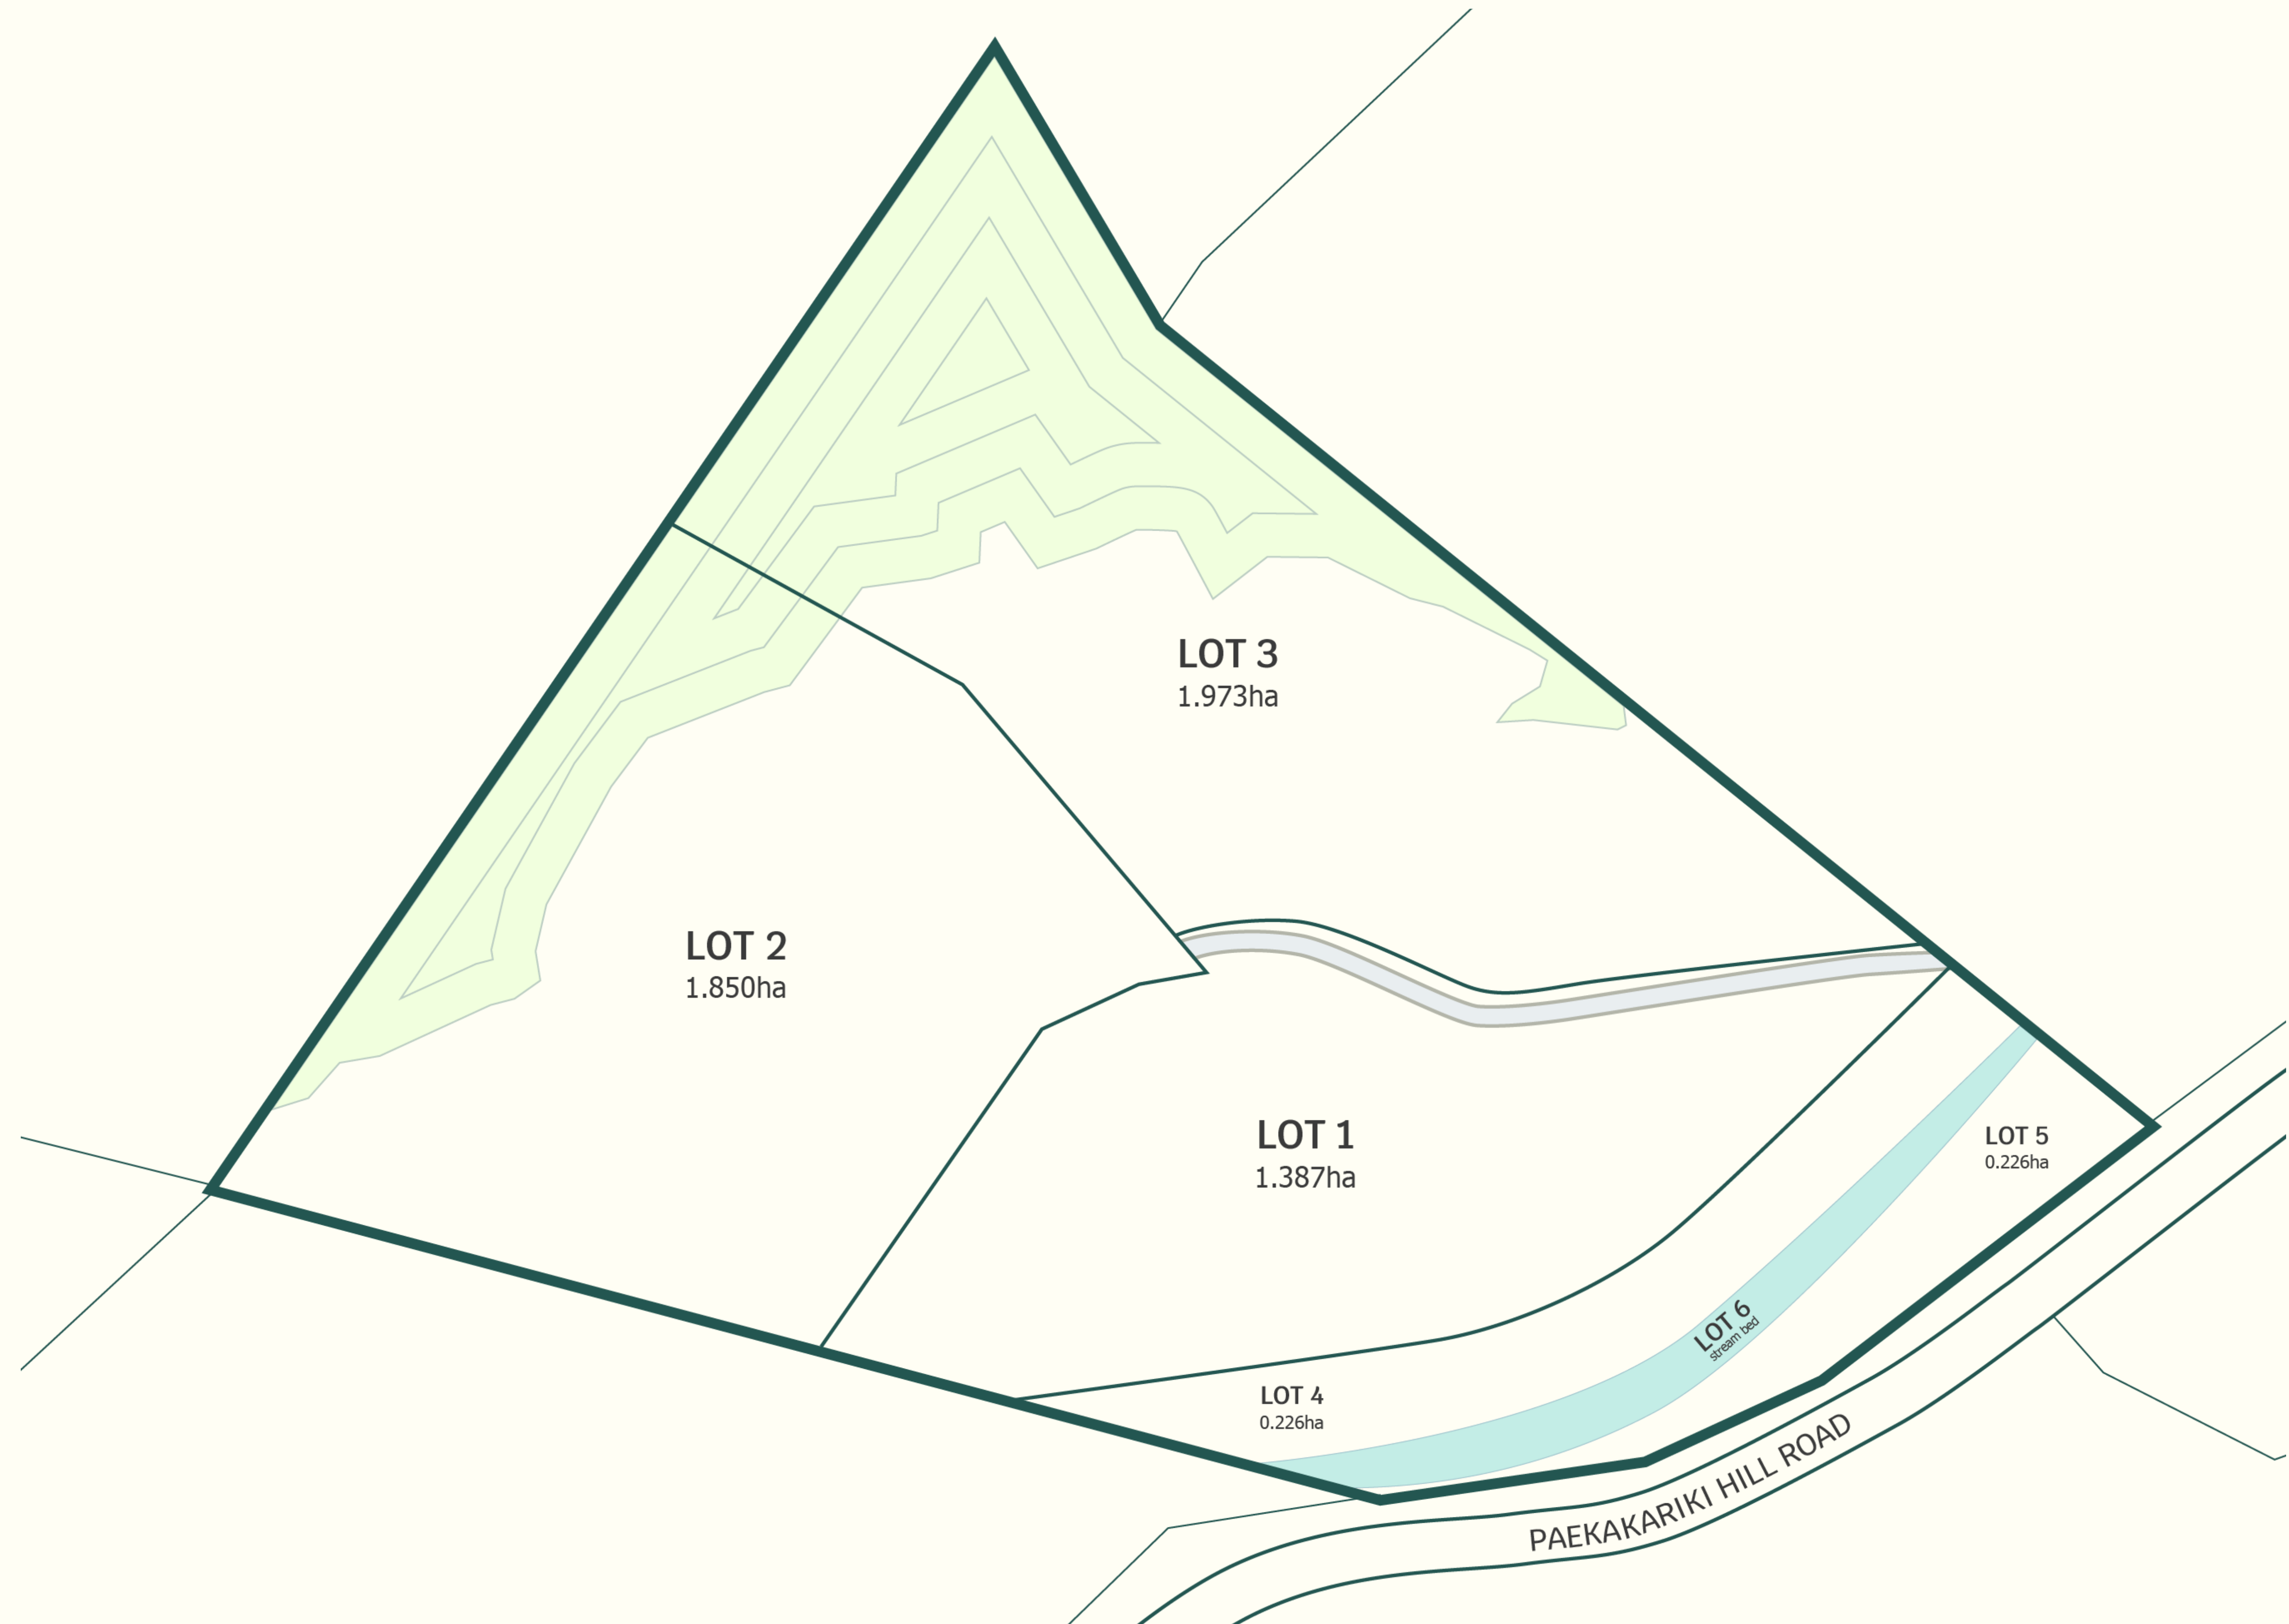

A 3-lot luxury lifestyle subdivision with stunning views in the heart of Pāuatahanui.

This property was used for agricultural purposes until late 2010's. The existing house and outbuildings on Lot 1 were built in 1950's were well loved but needed a big upgrade. We have retained the structures and remodelled beautifully to blend modern comfort with classic charm. The stream running through the site has been vested to the local council as an esplanade reserve, ensuring ongoing maintenance and enhancement.

A 3-lot luxury lifestyle subdivision with stunning views in the heart of Pāuatahanui.

Once a working farm, the land has been carefully renewed, and the original 1950s home and outbuildings on Lot 1 have been lovingly transformed to combine timeless character with modern ease.
