GOLF GENIUS LIVE SCORING

Golf Genius Live Scoring will keep your group connected to a live leaderboard throughout the trip. Results will also be hosted for the entire trip in the Golf Genius app. This curated portal for group will allow everyone to view their tee times, pairings and results all in one place.

SCOREBOARDS | SCORING

A customized, printed scoreboard (2 ft. x 3 ft.) can be created for your event. Based on your tournament requests, this custom scoreboard will make an event feel official. Our professional staff can assist by collecting cards, tabulating scores, and posting results. Be sure to ask about live scoring as well!

NIGHT GOLF & CLINICS

PUTTING CONTEST

If you're looking for an after hours adventure, our night golf options will do the trick! Come enjoy a glow ball putting contest hosted by our Professional Staff. We'll set up a glow stick routing and you'll enjoy the twists and turns of putting under the stars.

TARGET PRACTICE COMPETITIONS

A night golf favorite! Closest to the Hole contests are perfect for group outings. Watch as glow balls fly across the night sky to a glow stick constructed green complex. Whether it's part of your tournament or you're playing for fun, this will be talked about long after the visit is over.

GROUP INSTRUCTION

Begin a morning or cap off a day with group instruction from our talented Professional Staff. Using Flightscope to gather all club and ball data, we can elevate a basic clinic to an in-depth and informative session. Additionally, our Professionals can design custom skills games and challenges to enhance any clinic.

Night Golf is contingent on weather and availability.
