COMMITTEES & BILLS

MDA – Still looking for a rep. Looking into doing Fill the Boot during Irish Fest with shirts, a booth, and members walking around with boots.

STAG – April 17th at the Legion (728 Commercial) 5:00 pm – 10:00 pm. See you there.

Scholarship – Any high school grad or college students are eligible. Applications are due 4-11-25 with winner announced at the May meeting.

OLD BUSINESS

Honorary Bylaw Change – Will be voted on in April.

Mental Health Policy – No update on actual policy. Beck, Ben Petersen, Luck, Spence, Zim, and Hubka all had initial appointments with Frontline Staff to ask questions. Appointments will either be scheduled during birthday month or within 30 days of birthday. 50 minutes are allotted for each appointment to discuss anything the employee wishes. If “issues” come up, they will only report things they are legally required to as mandatory reporters (harm to self or others, child abuse, dependent adult abuse, etc). It is not a fit for duty exam as they are not “licensed” to do those. The only information they release to the department is that the appointment was completed. They will offer more support or resources if needed. If you already see a therapist/psychologist, you will relay that to Frontline and they will tell the department that you are good and City will not be billed for your “appointment.” Any questions, reach out.
