COMMITTEES & BILLS

STAG – April 16th from 1700 hrs – 2200 hrs at the American Legion (728 Commercial Street).

Scholarship – Applications must be delivered to an E-Board member or postmarked on or before April 10th.

IPFF Convention – We are hosting the state convention June 24th-26th. We have a committee working on planning, however we will more than likely need volunteers throughout those days to help with various logistical things. If you have less than 3-5 years on the job, I would encourage you to participate. Anyone willing to help or if a spouse is willing to help, let Hubka know.

OLD BUSINESS

Cancer Screenings – Still have openings the second week. Sign up ASAP. Be sure to read the instructions prior to your appointment.

Trustee Position – D. Huebner appointed.

Contract – The updated wage sheets are posted on the City website. Hubka will also send a digital version to everyone.

MINUTES FOR MEETING OF March 6th 2026

NEW BUSINESS

IAFF Convention – August 9th-14th in Arlington, TX. If you would like to go, let an E-Board member know prior to the April meeting.

Peer Support Class – In Iowa City May 31st-June 3rd. Department is paying for 2 to attend, if more would like to go, let an E-Board member know and the Local will get you there.

New Aldaya Event – New Aldaya reached out via B. Petersen about us assisting with a fundraiser. It is a fashion show style event and they would like us to provide a “butler-type service” by serving cocktails and appetizers, assisting people on and off the runway, etc. Wartburg’s dance team will be assisting as well. They requested 6-8 people. Event is May 7th from 4:30 pm – 6:30 pm. Let Hubka know if you would like to participate within the next week.

PSOB/PSOEA – N. Anderson spoke about the PSOB and PSOEA benefits available to members/spouses in the event of a LODD. Nearly \$500k is available for beneficiaries. An SOG is likely in the works and it would require everyone to update/review their beneficiary/contact information yearly. More information will be sent out.

DEPARTMENTAL MATTERS

Staff Meeting – Looking for new hires to start March 15th. SSP seems to be going well in its first few days.

Labor Management – If you are interested in going to an outside agency and bringing information back/teaching departmental training, reach out to Chief or CPT Jensson. 300 driver will have 1st priority to drive an apparatus at Station 1, Swing driver will be priority for other engines. Use on medic units will still be dictated by daily needs. Unassigned medics that are tail boarding E303 while 333 is IN SERVICE will not be paid out of rank pay as a medic.
