Important Information

- I. **Prohibition of the Use of Public Area and Soliciting Sales Outside the Booths** The unauthorized occupation of public areas by exhibitors may seriously block the aiseways and exits. To protect the public and comply with the Fire & Safety Regulations of AsiaWorld-Expo, exhibitors are prohibited to put their exhibits and properties outside their booth. Exhibitors are also reminded that all business and sales activities (including but not limited to pamphlets, souvenirs, and questionnaires etc.) are not allowed out of their booth area and in the public area of the venue. Given the fact that the above sales activities may constitute nuisance to other exhibitors and visitors, the Organizer reserves the right to request the rule-breaking exhibitors and/or their staff to leave the exhibition venue and disqualify their participation. No participation fee will be refunded to those disqualified.
- II. **Refundable Damage / Performance Deposit** In order to ensure all the booths to be probably managed and built in accordance with Rules and Regulations, all exhibitors must pay a refundable damage / performance deposit to Show Official Contractors; and in any case of violation of the Rules and Regulations, includes but not limited to regulations mentioned in this manual, the paid deposit will be confiscated, and the Exhibitor will be also billed with any additional handling charges related to the violation. Deposits will be returned within 45 working days after the end of the exhibition. (US\$65 or HK\$500 per square meter for Prefab & FnB Booth; US\$70 or HK\$546 per square meter raw space using Official Main Contractor; US\$100 or HK\$780 per square meter for raw space appointing Outside Contractor)
- III. **Official Exhibitor Badge/Wristband** All exhibitors must wear their Exhibitor badges / wristband at all times during the exhibition period in the exhibition hall. The badges / wristbands are non-transferable, and photocopies are not acceptable. Anyone who forges official badges / wristbands will be liable for the offence of (Cap. 200) Crimes Ordinances s.71 and s.73. The Organizer reserves the right to refuse exhibitors with forged badges / wristbands to admit to the venue and the right to take legal action against those offending exhibitors. For all requested additional Exhibitor badges / wristbands, please contact your respective ComplexCon sales representative.
- IV. **Prohibition on Early Move-out** The exhibition opens from 10:00 to 21:00 on 21st March 2026 and 10:00 -21:00 on 22nd March 2026. Exhibitor's booth space must not be left unattended at any time during the exhibition opening hours. Exhibitor Staff should arrive at least 30 minutes before the opening time and leave the exhibition hall within 30 minutes after closing.
- V. **Intellectual Property Rights** Products which violate Intellectual Property Law and Practice are not allowed to be displayed in the booths. The Organizer will request exhibitors to remove all exhibits which in suspicion of breaching the regulation and inform the relevant government parties immediately. Exhibitors are responsible for any charge being brought along by custom inspections.
- VI. **On-site Safety Issues** Delivery of merchandise as well as the use of any equipment must cease no later than 30 minutes before the opening hour of the exhibition (e.g., 08:30 day). For safety reasons, use of pallet trucks and pallets are not allowed starting from 30 minutes before the hall opening hour to the closing. To avoid any kind of accident, exhibitors should keep the aisles and corridors clean and tidy, especially for any oversized both space and dangerous materials.
- VII. **Booth Panel Usage Regulation** Each prefab booth is provided with white hardwall panels, and exhibitors are responsible for ensuring no damage is caused to these surfaces. Only approved mounting methods may be used, such as low-tack adhesives or Velcro, and all materials must be fully removed during move-out. Any excessive damage, including surface stripping, unapproved wall treatments, oversized screw or nail holes, painting, cutting, or structural penetration, may result in repair or replacement charges of up to USD 500 or HK\$4,000 per 1-meter panel, and missing accessories may also be invoiced. For detailed terms and specifications, please refer to the Prefab Booth Order Form. For full requirements and specifications, please refer to the Prefab Booth Order Form.
- VIII. **Food and Beverages** No outside food or beverage may be brought into the exhibition space. To maintain a clear and tidy exhibition area, consumption of food is not recommended in the booth. Exhibitors and their staff may make use of certain specified spaces such as the designated seating area within the Exhibition Halls for consumption of their food. Prior, written approval from the Organizer is required for the use and/or sale of any food and/or beverage. The Organizer reserves the right to accept or reject any application. Exhibitors are required to secure a Food & Beverages Licenses from the Food, Environmental and Health Department and shall submit the License to the Organizer before show opens, please visit https://www.fehd.gov.hk/english/licensing/Guide_on_Types_of_Licences_Required.html for details.

Rules and Regulations (General)	
Waste Reduction and Recovery Measures	<p>The HKSAR Government unveiled the Waste Reduction Framework Plan in 1998 and the Waste Reduction Guidebook for Large Scale Event Organizers (Green Event Guideline) in December 2017, which set out various guidelines and initiatives on waste reduction and recovery. Exhibitors and/or Contractors should observe the following waste reduction and minimization guidelines:</p>
	<p><u>Marketing Stage</u></p> <ol style="list-style-type: none"> 1. Consider using sustainable communication and marketing channels. 2. Utilize publicity via e-channels such as e-brochures and e-leaflets and provide QR code to download. 3. Choose green promotional giveaways while minimizing their packaging materials.
	<p><u>Booth Design Stage</u></p> <ol style="list-style-type: none"> 1. Plan for waste reduction before on-site operation to minimize unnecessary waste generation. 2. Adopt modular exhibition designs and off-site pre-fabrication processes as far as practicable. 3. Use environmental-friendly materials (e.g. recycled materials) for stand design and construction, publicity and promotion. 4. Adopt flexible exhibition designs to include opportunities for future adaptation. Reuse of construction materials, use of recycled materials in construction and recyclable materials should be taken into account at the design stage. 5. Avoid using energy intensive appliances.
	<p><u>Booth Installation and Dismantling Stage</u></p> <ol style="list-style-type: none"> 1. Check with the organizer for locations of recycling facilities and items which could be recovered. 2. Instruct on-site staff of good recycling practice. 3. Install and dismantle in proper manner to avoid damages to items particularly those intended for reuse. 4. Plan stands dismantling properly to maximize the reuse and recycling of materials. 5. Fully utilize raw materials to avoid wastage. 6. Handle special waste (e.g. chemical waste) properly. 7. Consider reuse and recycling before disposal of the materials. 8. For technical advice, please contact the Waste Reduction Helpline: (852) 2755-2750 of the Environmental Protection Department of Hong Kong SAR Government.
	<p>The Green Event Guidebook is available on Environmental Protection Department's website for reference: https://www.wastereduction.gov.hk/en/assistancewizard/recyc_guideline.htm</p>
	<p><u>Fluorescent Lamps Recycling Program</u></p> <p>Fluorescent lamps (straight tubes, round tubes, energy saving lamps and high intensity discharge lamps (e.g. mercury vapor lamp, metal halide lamp and sodium lamp) contain mercury. Release of mercury from broken lamps can contaminate the surrounding and create health hazard through inhalation or skin contact. Proper handling and disposal should be made in order not to harm humans and the environment and to comply with the relevant legal requirements.</p>
