WHAT TO EXPECT

We are delighted to welcome you to the **Diagnexia Computational Pathology Fundamentals Course**. Over two immersive days, you'll gain a practical understanding of one of the fastest-evolving areas of modern pathology through expert-led lectures, demonstrations, and interactive discussions.

Designed specifically for pathologists and trainees, this course requires no prior computational or programming experience. You'll explore the foundations of digital pathology, whole-slide imaging, image analysis, machine learning, and deep learning, before progressing to real-world clinical applications, validation, regulation, and the future of AI in pathology.

Throughout the course, you'll **hear from experts in the field, take part in practical learning sessions, and gain the knowledge** needed to critically evaluate and confidently engage with computational pathology in both clinical practice and research. **Refreshments and lunch will be provided on both days**, with plenty of opportunities to network with faculty and fellow delegates.

Whether you're exploring computational pathology for the first time or looking to build on existing knowledge, **you'll leave with a strong practical foundation and the confidence** to navigate the rapidly changing landscape of AI in pathology.

We look forward to welcoming you to Oxford.

What is the exact location?

The Queen's College, High Street, Oxford, OX1 4AW, United Kingdom

Check-in

Tuesday, 18th August at 2:00 pm

Check-out

Wednesday, 19th August at 10am

If you are also attending the Diagnexia Histopathology Symposium, check-out is 10am on Friday, the 21st of August.

After check-out, please note that bags can be securely stored in the cloakroom at the lecture theatre.

What are the parking arrangements?

Many Oxford streets are closed to traffic and parking is severely limited. Visitors are encouraged to use the five Park and Ride bus services.

Please refer to Oxfordshire County Council's up-to-date traffic information for details of all local road works and any disruptions likely to delay your journey.

[Continued >](#)

Parking Options

Park and Ride

Oxford is home to the country's first Park and Ride scheme.

- Pear Tree (# 300)
- Redbridge (# 300)
- Seacourt (# 400) ask for 'Queen's Lane' and you will arrive outside the front door to the College
- Thornhill (# 400) ask for 'Queen's Lane', once you disembark you will need to cross the road to reach the front door to the College
- Water Eaton (Oxford Parkway) (# 500)

#400 is most convenient since it stops at 'Queen's Lane' which is outside the Main College Entrance.

#400 Thornhill is convenient if you are travelling on the A40, and #400 Seacourt is convenient if you are travelling on the A34 or A420.

Parking in Oxford city centre

Parking in Oxford city centre is limited and can be expensive. For information on car parks, on-street parking and costs of parking, see Oxfordshire County Council's website.

For information on parking in Oxford for people with disabilities, please see Oxford City Council's Blue Badge scheme.

Public Transport available?

From London Airports

From London Heathrow and Gatwick airports, take The Airline coach service, which runs 24 hours a day. You can also get to Oxford by train from Heathrow via London, and from Gatwick via Reading.

From London Stansted airport, take the Stansted Express train service to London Liverpool Street and then take the tube to either Paddington or Marylebone for direct trains to Oxford. Alternatively there is a National Express 737 coach service.

Train

Direct services run from London Paddington (serving Oxford station) and London Marylebone (serving Oxford and Oxford Parkway stations).

Bus

The Oxford Tube offers a direct service between Oxford and London, running a frequent timetable on a virtually 24-hour basis, Monday to Sunday.

What are the accommodation arrangements?

Each ticket gives you access to your own private room with an ensuite. Rooms are for single occupancy.

What food will be served at the event?

Participants can look forward to breakfast on both Thursday & Friday mornings, and a complimentary lunch will be served on Thursday & Friday.

Additionally, refreshments such as tea, coffee, and biscuits will be available during the breaks.

Can my spouses and children attend too?

Each ticket grants access for one individual. If you plan to bring additional guests, please notify us in advance, as attendance is subject to room availability. Please note that children are not permitted to stay on campus.
