Ceipal

MEET CEIPAL ORA

Staffing That Never Stops.

Ceipal Ora is the agentic AI built into Ceipal's staffing platform, working end-to-end across your ATS, VMS, and Workforce Management on one data layer.

Search, Match & Outreach

Shortlist and outreach in under 4 minutes, not 2–3 hours of Boolean searching and manual emails.

Compliance, Built In

Every job req validated before it reaches suppliers. Every vendor document tracked.

Ask Your Data Anything

Pipeline health, recruiter performance, billing trends. Ask in plain English, get direct answers.
