

U.S. Government users downloading software from the CAMET library may be subject to restrictions for use, modification, reproduction, and release of the software based on the rights granted in the Government contract for which the tool was developed and delivered according to DFAR 252.227-7014 Rights in Noncommercial Computer Software. Software tools developed by Galois under Government contract may be provided to the government with less than unlimited rights. The software provided in CAMET will disclose the software rights upon download of the software tool.

Non-Government users of the Galois developed Model-Based Engineering (MBE Tools) including the Framework for Analysis of Schedulability, Timing and Resources (FASTAR) Tool Suite, the Multiple Independent Levels of Security (MILS) Analysis Tool, Systems Engineering Safety and Security Analysis Framework (SESSAF), Trade Space Explorer (TSE), Reliability Block Diagram (RBD) Report, RBD – No Display, Synthesize Stimulus Toolkit (SST), State Linked Interface Compliance Engine for Data (SLICED), Security & Safety Co-Analysis Tool Environment (SSCATE), Intrinsically Secure, Open, and Safe Cyber- physically Enabled, Life-critical Essential Services (ISOSCELES), Risk Management Framework (RMF) Analysis Tool, and Rapid Prototyping Tools for ARINC 653, made available through Galois’ CAMET website are subject to the terms and conditions of the End User License Agreement (EULA) provided with this software. By downloading or installing this software You (the individual or legal entity) agree to be bound by the terms of the EULA stated below.

END USER LICENSE AGREEMENT (EULA)

PLEASE NOTE THAT THE TERMS OF THIS END USER LICENSE AGREEMENT SHALL GOVERN YOUR USE OF THE SOFTWARE, REGARDLESS OF ANY TERMS THAT MAY APPEAR DURING THE INSTALLATION OF THE SOFTWARE.

IMPORTANT-READ CAREFULLY: BY DOWNLOADING, INSTALLING, OR USING THE SOFTWARE, YOU (THE INDIVIDUAL OR LEGAL ENTITY) AGREE TO BE BOUND BY THE TERMS OF THIS END USER LICENSE AGREEMENT (“EULA”). IF YOU DO NOT AGREE TO THE TERMS OF THIS EULA, YOU MUST NOT DOWNLOAD, INSTALL, OR USE THE SOFTWARE, AND YOU MUST DELETE OR RETURN THE UNUSED SOFTWARE TO THE VENDOR FROM WHICH YOU ACQUIRED IT WITHIN THIRTY (30) DAYS AND REQUEST A REFUND OF THE LICENSE FEE, ***IF ANY***, THAT YOU PAID FOR THE SOFTWARE.

1. DEFINITIONS.

1.1 “Affiliate” means, with respect to a party at a given time, an entity that then is directly or indirectly controlled by, is under common control with, or controls that party, and here “control” means an ownership, voting or similar interest representing fifty percent (50%) or more of the total interests then outstanding of that entity.

1.2 “Documentation” means that documentation that is generally provided to You by Galois with the Software, as revised by Galois from time to time, and which may include end user manuals, operation instructions, installation guides, release notes, and on-line help files regarding the use of the Software.

1.3 “Intellectual Property Rights” means all worldwide intellectual property rights, including but not limited to and without limitation, copyrights, trademarks, service marks, trade secrets, know how, inventions, patents, patent applications, moral rights and all other proprietary rights, whether registered or unregistered.

1.4 “License” means a license granted under Section 2.1 (General License Grant).

1.5 “Open Source Software” or “OSS” means software components embedded in the Software and provided under separate license terms, which can be found either in the open_source_licenses.txt file (or similar file) provided within the Software.

1.6 “Order” means a CAMET library sponsorship or other contract, purchase order, enterprise license agreement, request to access, or other ordering document issued by You or the U.S. Government for your use of Galois Software that references and incorporates this EULA and is accepted by Galois as set forth in Section 4 (Order).

1.7 “Support Services Terms” means Software’s then-current support policies.

1.8 “Software” means any or all of Galois’ Model-Based Engineering (MBE Tools) including the Framework for Analysis of Schedulability, Timing and Resources (FASTAR) Tool Suite, the Multiple Independent Levels of Security (MILS) Analysis Tool, Systems Engineering Safety and Security Analysis Framework (SESSAF), Trade Space Explorer (TSE), Reliability Block Diagram (RBD) Report, RBD – No Display, Synthesize Stimulus Toolkit (SST), State Linked Interface Compliance Engine for Data (SLICED), Security & Safety Co-Analysis Tool Environment (SSCATE), Intrinsically Secure, Open, and Safe Cyber-physically Enabled, Life-critical Essential Services (ISOSCELES), Risk Management Framework (RMF) Analysis Tool, and Rapid Prototyping Tools for ARINC 653 to which You acquire a license under an Order, together with any software code relating to the foregoing that is provided to You pursuant to Your Order and that is not subject to a separate license agreement.

1.9 “Third Party Agent” means a third-party delivering information technology services to You pursuant to a written contract with You.

1.10 “Galois” means Galois, Inc., an Oregon Corporation.

2. LICENSE GRANT.

2.1 General License Grant. Galois grants to You a non-exclusive, non-transferable (except as set forth in Section 12.1 (Transfers; Assignment)) license to use the Software and the Documentation during the period of the license, solely for Your internal business operations. Unless otherwise indicated in the Order, Licenses will be for use of object code only, and will commence on either delivery of the physical media or the date You are notified of availability for electronic download.

2.2 Third Party Agents. Under the License granted to You in Section 2.1 above, You may permit Your Third Party Agents to access, use and/or operate the Software on Your behalf for the sole purpose of delivering services to You, provided that You will be fully responsible for Your Third Party Agents' compliance with terms and conditions of this EULA and any breach of this EULA by a Third Party Agent shall be deemed to be a breach by You.

2.3 Copying Permitted. You may copy the Software and Documentation as necessary to install and run the quantity of copies licensed, but otherwise for archival purposes only.

2.4 Benchmarking. You may use the Software to conduct internal performance testing and benchmarking studies. You may only publish or otherwise distribute the results of such studies to third parties as follows: (a) as required by the U.S. government contract that provided the Software to You or; (b) if with respect to Software products, only if You provide a copy of Your study to legal@galois.com prior to distribution or; (c) if with respect to any other Software, only if Galois has reviewed and approved of the methodology, assumptions and other parameters of the study (please contact Galois at legal@galois.com to request such review and approval) prior to such publication and distribution.

2.6 Open Source Software. If OSS is provided with the Software, notwithstanding anything herein to the contrary, Open Source Software is licensed to You under such OSS's own applicable license terms, which can be found in the `open_source_licenses.txt` (or similar) file. These OSS license terms are consistent with the license granted in Section 2 (License Grant), and may contain additional rights benefiting You. The OSS license terms shall take precedence over this EULA to the extent that this EULA imposes greater restrictions on You than the applicable OSS license terms. To the extent the license for any Open Source Software requires Galois to make available to You the corresponding source code and/or modifications (the "Source Files"), You may obtain a copy of the applicable Source Files from Galois by request to legal@galois.com. All requests should clearly specify the open source files being requested. This offer to obtain a copy of the Source Files is valid for three years from the date You acquired this Software.

3. RESTRICTIONS; OWNERSHIP.

3.1 License Restrictions. Without Galois' prior written consent, You must not, and must not allow any third party to: (a) use Software in an application services provider, service bureau, or similar capacity for third parties, except that You may use the Software to deliver services to Your Affiliates; (b) disclose to any third party the results of any benchmarking testing or comparative or competitive analyses of Software done by or on behalf of You, except as specified in Section 2.4 (Benchmarking); (c) make available Software in any form to anyone

other than Your employees or contractors that require access to use Software on behalf of You in a matter permitted by this EULA, except as specified in Section 2.2 (Third Party Agents); (d) transfer or sublicense Software or Documentation to an Affiliate or any third party, except as expressly permitted in Section 12.1 (Transfers; Assignment); (e) use Software in conflict with the terms and restrictions of the Software's licensing model and other requirements specified in an Order; (f) modify, translate, enhance, or create derivative works from the Software, or reverse engineer, decompile, or otherwise attempt to derive source code from the Software, except as specified in Section 3.2 (Decompilation) or to the extent permitted by applicable mandatory law; (g) remove any copyright or other proprietary notices on or in any copies of Software; or (h) violate or circumvent any technological restrictions within the Software or specified in this EULA, such as via software or services.

3.2 Decompilation. Notwithstanding the foregoing, decompiling the Software is permitted to the extent the laws of the United States of America give You the express right to do so to obtain information necessary to render the Software interoperable with other software; provided, however, You must first request such information from Galois, provide all reasonably requested information to allow Galois to assess Your claim, and Galois may, in its discretion, either provide such interoperability information to You, impose reasonable conditions, including a reasonable fee, on such use of the Software, or offer to provide alternatives to ensure that Galois' proprietary rights in the Software are protected and to reduce any adverse impact on Galois' proprietary rights.

3.3 Ownership. The Software and Documentation, all copies and portions thereof, and all improvements, enhancements, modifications and derivative works thereof, and all Intellectual Property Rights therein, are and shall remain the sole and exclusive property of Galois and its licensors. Your rights to use the Software and Documentation shall be limited to those expressly granted in this EULA and any applicable Order. No other rights with respect to the Software or any related Intellectual Property Rights are implied. You are not authorized to use (and shall not permit any third party to use) the Software, Documentation or any portion thereof except as expressly authorized by this EULA or the applicable Order. Galois reserves all rights not expressly granted to You. Galois does not transfer any ownership rights in any Software.

4. ORDER. Your Order is subject to this EULA. No Orders are binding on Galois until accepted by Galois. Orders for Software are deemed to be accepted upon Galois' delivery of the Software included in such Order.

5. RECORDS. During the term of this License and for two (2) years after its expiration or termination, You will maintain accurate records of Your use of the Software sufficient to show compliance with the terms of this EULA.

6. SUPPORT. Except as expressly specified in the Order or separate agreement between Galois and You, Galois does not provide any support for the Software under this EULA.

7. WARRANTIES.

7.1 Software Warranty, Duration and Remedy. Software may not operate correctly and may be substantially modified from one release to the next or withdrawn. Software is provided "AS IS" without warranty, support, or indemnification of any kind, expressed or implied. The entire

risk arising out of the use or performance of Software remains with You. In no event shall Galois be liable for any damage whatsoever arising out of the use of or inability to use Software, even if Galois has been advised of the possibility of such damages.

7.2 Software Disclaimer of Warranty. OTHER THAN THE WARRANTY IN 7.1, AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, GALOIS AND ITS SUPPLIERS MAKE NO OTHER EXPRESS WARRANTIES UNDER THIS EULA, AND DISCLAIM ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND ANY WARRANTY ARISING BY STATUTE, OPERATION OF LAW, COURSE OF DEALING OR PERFORMANCE, OR USAGE OF TRADE. GALOIS AND ITS LICENSORS DO NOT WARRANT THAT THE SOFTWARE WILL OPERATE UNINTERRUPTED OR THAT IT WILL BE FREE FROM DEFECTS OR THAT IT WILL MEET YOUR REQUIREMENTS.

8. RESERVED.

9. LIMITATION OF LIABILITY.

9.1 Limitation of Liability. TO THE MAXIMUM EXTENT MANDATED BY LAW, IN NO EVENT WILL GALOIS AND ITS LICENSORS BE LIABLE FOR ANY LOST PROFITS OR BUSINESS OPPORTUNITIES, LOSS OF USE, LOSS OF REVENUE, LOSS OF GOODWILL, BUSINESS INTERRUPTION, LOSS OF DATA, OR ANY INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES UNDER ANY THEORY OF LIABILITY, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, PRODUCT LIABILITY, OR OTHERWISE. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE PRECEDING LIMITATION MAY NOT APPLY TO YOU. GALOIS AND ITS LICENSORS' LIABILITY UNDER THIS EULA WILL NOT, IN ANY EVENT, REGARDLESS OF WHETHER THE CLAIM IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, EXCEED THE LICENSE FEES YOU PAID FOR THE SOFTWARE DURING THE TWELVE MONTH PERIOD PRIOR TO THE DATE A CAUSE OF ACTION AROSE. THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF WHETHER GALOIS OR ITS LICENSORS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

10. TERMINATION.

10.1 EULA Term. The term of this EULA begins on the notice of availability for electronic download or delivery of the Software and continues until this EULA is terminated in accordance with this Section 10 or the terms of the Order.

10.2 Termination for Breach. Galois may terminate this EULA effective immediately upon written notice to You if You breach any provision of this EULA and fail to cure within thirty (30) days after receipt of Galois' written notice thereof.

10.3 Termination for Insolvency. Galois may terminate this EULA effective immediately upon written notice to You if You: (a) terminate or suspend your business; (b) become

insolvent, admit in writing Your inability to pay Your debts as they mature, make an assignment for the benefit of creditors; or become subject to control of a trustee, receiver or similar authority; or (c) become subject to any bankruptcy or insolvency proceeding.

10.4 Effect of Termination. Upon Galois' termination of this EULA: (a) all Licensed rights to all Software granted to You under this EULA will immediately cease; and (b) You must cease all use of all Software, and return or certify destruction of all Software (including copies) to Galois, and return, or if requested by Galois, destroy, any related Galois Proprietary Information in Your possession or control and certify in writing to Galois that You have fully complied with these requirements. Any provision will survive any termination or expiration if by its nature and context it is intended to survive, including Sections 1 (Definitions), 2.6 (Open Source Software), 3 (Restrictions; Ownership), 5 (Records and Audit), 7.2 (Software Disclaimer of Warranty), 9 (Limitation of Liability), 10 (Termination), 11 (Proprietary Information) and 12 (General).

11. PROPRIETARY INFORMATION.

11.1 Definition. "Proprietary Information" means information or materials provided by one party ("Discloser") to the other party ("Recipient") which are in tangible form and labelled "proprietary" or the like, or, information which a reasonable person knew or should have known to be proprietary. The following information shall be considered Proprietary Information whether or not marked or identified as such: (a) CAMET Library Access Credentials; (b) information regarding Galois' pricing, product roadmaps or strategic marketing plans; and (c) non-public materials relating to the Software.

11.2 Protection. Recipient may use Proprietary Information of Discloser; (a) to exercise its rights and perform its obligations under this EULA; or (b) in connection with the parties' ongoing business relationship. Recipient will not use any Proprietary Information of Discloser for any purpose not expressly permitted by this EULA, and will disclose the Proprietary Information of Discloser only to the employees or contractors of Recipient who have a need to know such Proprietary Information for purposes of this EULA and who are under a duty of confidentiality no less restrictive than Recipient's duty hereunder. Recipient will protect

Proprietary Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own Proprietary or proprietary information of a similar nature but with no less than reasonable care.

11.3 Exceptions. Recipient's obligations under Section 11.2 (Protection) with respect to any Proprietary Information will terminate if Recipient can show by written records that such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser's Information. In addition, Recipient will be allowed to disclose Proprietary Information to the extent that such disclosure is required by law or by the order of a court of similar judicial or administrative body, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

12. GENERAL.

12.1 Transfers; Assignment. You will not assign this EULA, any Order, or any right or obligation herein or delegate any performance without Galois' prior written consent, which consent will not be unreasonably withheld. Any other attempted assignment or transfer by You will be void. Galois may use its Affiliates or other sufficiently qualified subcontractors to provide services to You, provided that Galois remains responsible to You for the performance of the services.

12.2 Use of Name. You agree that Galois may use Your or Your organization's name and may disclose that You or Your organization is a licensee of Galois software in Galois advertising, promotion and similar public disclosures with respect to the Software; provided, however, that such advertising, promotion or similar public disclosures will not indicate, without Your or Your organization's written consent, that You or Your organization in any way endorses any Galois software.

12.3 Notices. Any notice delivered by Galois to You under this EULA will be delivered via mail, email, or fax.

12.4 Waiver. Failure to enforce a provision of this EULA will not constitute a waiver.

12.5 Severability. If any part of this EULA is held unenforceable, the validity of all remaining parts will not be affected.

12.6 Debarment of U.S. Contractors. To the extent of Your knowledge and belief, You represent that You and no person employed by You, or acting on Your behalf, who will have access to the Software, is debarred, suspended, or otherwise ineligible from performing on U.S. Government contracts; or has violated U.S. export control laws.

12.7 EXPORT CONTROL REGULATIONS: The SOFTWARE is a commercial software application identified under Export Control Classification Number (ECCN) EAR99. No Export License is required for the export/re-export of this SOFTWARE to non-US persons other than (a) those from or in US Government imposed embargoed / sanctioned countries identified in the Supplement 1 to Part 740 (Country Group E) of the Export Administration Regulations (EAR),

(b) anyone on the U.S. Treasury Department's lists of Specially Designated Nationals, (c) anyone on the U.S. Commerce Department's Denied Persons List, Entity List, or Unverified List, (d) anyone on the U.S. State Department's Debarred List or Nonproliferation List, or (e) for use with chemical or biological weapons, sensitive nuclear end-uses, or missiles to deliver them. Export/re-export to non-US persons or uses covered in the above exceptions is not authorized. It is the responsibility of the individual in control of this SOFTWARE to abide by the U.S. export laws.

12.8 Construction. The headings of sections of this EULA are for convenience and are not to be used in interpreting this EULA. As used in this EULA, the word 'including' means "including but not limited to".

12.9 Governing Law. This EULA is governed by the laws of the State of Minnesota, United States of America (excluding its conflict of law rules), and the federal laws of the United States. To the extent permitted by law, the state and federal courts located in Minnesota will be the exclusive jurisdiction for disputes arising out of or in connection with this EULA. The U.N. Convention on Contracts for the International Sale of Goods does not apply.

12.10 Third Party Rights. Other than as expressly set out in this EULA, this EULA does not create any rights for any person who is not a party to it, and no person who is not a party to this EULA may enforce any of its terms or rely on any exclusion or limitation contained in it.

12.11 Order of Precedence. In the event of conflict or inconsistency among this EULA and the Order, the following order of precedence shall apply: (a) this EULA and (b) the Order. With respect to any inconsistency between this EULA and an Order, the terms of this EULA shall supersede and control over any conflicting or additional terms and conditions of any Order, acknowledgement or confirmation or other document issued by You.

12.12 Entire Agreement. This EULA, including accepted Orders and any amendments hereto, contain the entire agreement of the parties with respect to the subject matter of this EULA and supersede all previous or contemporaneous communications, representations, proposals, commitments, understandings and agreements, whether written or oral, between the parties regarding the subject matter hereof. This EULA may be amended only in writing signed by authorized representatives of both parties.

12.13 Contact Information. Please direct legal notices or other correspondence to Galois, Inc., 421 SW Sixth Ave, Suite 300, Portland, OR 97204, Attention: Galois Legal or legal@galois.com.
