"The falling leaves drift by my window / The autumn leaves of red and gold" on Wednesdays at Coquitlam's Dogwood Pavilion. Come play with us, the **TriCity Strummers Ukulele Group**, where we play many genres of music (like this song!). We gather on Wednesdays year-round, at Dogwood Pavilion from 1:45 pm to 3:45 pm, with a drop-in fee of a loonie per session (plus an annual fee of \$10 payable to the *Dogwood Seniors 50 Plus Society*).

How it works: we email out a songlist for downloading ahead of time. And yes, beginners are most welcome to join us, though we don't offer instruction – just play what you can – be it strumming and/or picking! Bring your own ukulele, downloaded music, and music stand – we start playing right at 1:45 pm. For those wanting a bit of a challenge or to play with our group publicly, a number of our group occasionally perform in assisted living & long term care residences, and for special events.

For more info or to get music emailed to you, please contact Andrea at: andrea.tricitystrummers@gmail.com.

Hope to see you there!

What We Do In The Shadows (at Inlet Theatre)

From director Taika Waititi (*Hunt for the Wilderpeople*, *Jojo Rabbit*) comes the story of Viago, Deacon, and Vladislav – three flatmates who are just trying to get by and overcome life's obstacles, like being immortal vampires who must feast on human blood. Hundreds of years old, the vampires are finding that beyond sunlight catastrophes, hitting the main artery, and not being able to get a sense of their wardrobe without a reflection, modern society has them

struggling with the mundane – like paying rent, keeping up with the chore wheel, trying to get into nightclubs, and overcoming flatmate conflicts. Rarely does the movie miss a beat, and its cleverness shows itself in a host of ways. It's subtly subversive, subtly satirical, and openly absurd.

What We Do in the Shadows is bloody good fun.

Mockumentary / Comedy / Satire / Horror | Runtime 1 hr 26 m | New Zealand | 2014 | Rated R

Friday November 13, 7:30pm

Never Look Away (at Inlet Theatre)

Never Look Away, directed by Oscar-winner Florian Henckel von Donnersmarck, is a sprawling allegory of the artistic impulse, arrayed on the canvas of the Second World War and the rise and fall of the Nazis. Inspired by the eventful life of German artist Gerhard Richter, *Never Look Away* takes key moments from the painter's life, from the pre-WWII Nazi days to early acclaim in the 1960s. Few movies even dare to explore the value of art — to society, to the individual, to the creator and to those standing before it in a gallery — and there are characters throughout *Never Look Away* who try to express what it should mean.

None of them are right and none of them are wrong. (Owing to the length of the film, we will have an intermission about half way through, so please don't panic and let the length deter you from coming. It will be worth it!)

Drama / Thriller / Romance | Runtime 3 hr 9 m | Germany | 2018 | Rated R

The Tri-City Potters Group meets monthly on the third Wednesday of each month to discuss all things ceramic in a social setting. We meet at the Port Moody Arts Centre in the Appleyard room from 6:45 pm to 9:00 pm.

Our October 21, 2026 meeting is our AGM. A review of our financial activity will be presented, and a new executive will be appointed. After the formalities we will have a hands on evening discussing soda firing: clays to use, glaze treatments, and special effects.

Everyone is welcome at our meetings. Frequent visitors are encouraged to purchase annual memberships (\$40) which finance our activities. Hope to see you there.

You are cordially invited to step into a lively showcase of color, style, and community this November. Inspired by the classic sentiment, "Life is a picture. Paint it well", this year's exhibition celebrates the joy of bringing people together through creativity.

Art is not merely something to be observed; it is a catalyst that challenges how we see our surroundings and each other. This fresh showcase gathers a dynamic group of artists living and creating right here in our communities. Through a bold variety of mediums, with traditional, contemporary and deeply reflective styles, these works pull back the curtain on the creative process itself – inviting you not just to view the final piece, but to share in the spark that made it.

Join us for a time of imaginative exploration, lively dialogue, and shared inspiration. Whether you come to find new artwork for your home or just a quiet moment of reflection, your presence completes the creative circle.

PORT MOODY
CITY OF THE ARTS

Come see [PoMo Players'](#) production of

Yes Virginia, There Is a Santa Claus,

with special thanks to PoMoArts for their ongoing support of our local theatre group!

Inspired by a simple, poignant letter written over 100 years ago by 8-year-old Virginia O'Hanlon to the editor of the *New York Sun*—and by the timeless editorial response printed on the front page of the *Sun*. Virginia wondered and wrote: "Dear Editor, I am 8 years old. Some of my little friends say there is no Santa Claus. Papa says if you see it in the *Sun*, it's so. Please tell me the truth. Is there a Santa Claus?" Ed Mitchell, the *Sun*'s editor, gives the assignment of answering Virginia's letter to Frank Church who, until his wife and baby died last Christmas Eve, was the *Sun*'s best and most dependable reporter. *Yes Virginia, There Is a Santa Claus* is a play for young and old, magically reaffirming life's highest beauty and joy—"the eternal light with which childhood fills the world."
