

**DESCRIPTION:** PRECIP G is a flexible granular soil surfactant that captures and conserves irrigation inputs for a broad range of use sites. PRECIP G increases the infiltration of water into the soil and improves the length of hydration. PRECIP G should be applied as a preventative water management strategy.

#### BENEFITS

- Increased water infiltration to optimize irrigation and rain inputs
- Longer hydration for water savings overtime
- Great option for green and tee surrounds, bunker banks, sports fields, lawns, and ornamental beds.

#### NON-PLANT FOOD INGREDIENTS, ACTIVE INGREDIENTS:

Polyethylene, Polypropylene Glycol,  
Block Copolymer and Alcohol Ethoxylates.....100%

#### APPLICATION RECOMMENDATIONS

- Irrigate after application with overhead sprinklers or hose to activate ingredients.
- PRECIP G can also be applied ahead of rain as a proactive approach to moisture management.
- Use a water volume that sufficiently wets the soil to desired moisture level.

#### APPLICATION PRECAUTIONS

- Apply to dry surfaces or foliage. Irrigation is recommended as soon as possible after application.
- Keep away from pools, ponds, etc. Do not contaminate potable water
- Some carriers can cause staining of sidewalks. Sweep walkways prior to irrigation.

#### APPLICATION RATES:

Lbs of Product per 1,000 Sq. Ft.	Lbs. of Product per Acre	Square Feet per Bag	Oz. of PRECIP per 1000 Sq. Ft.
2	87	25000	2
3	131	16667	3
4	174	12500	4
5	218	10000	5
6	261	8333	6
7	305	7143	7
8	348	6250	8

#### APPLICATION RECOMMENDATION

One pound of PRECIP G is the equivalent to one ounce of PRECIP liquid soil surfactant per 1000 ft<sup>2</sup>.

#### PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicators or handlers of this product should wear protective eyewear, chemically impervious gloves, long-sleeved shirt, pants, socks and shoes to minimize skin contact. Consult the SDS for further information.

#### FIRST AID

- If In Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.
- If On Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention.
- If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.
- If Swallowed:** Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

#### KEEP OUT OF REACH OF CHILDREN WARNING

#### PRECAUTIONARY STATEMENTS

Causes eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wear personal protective equipment. Specific treatment is given in the First Aid section on this label or on the SDS.

#### STORAGE AND DISPOSAL

Store in a dry location in temperatures above 30°F. Dispose of in accordance with federal, state and local requirements. May be placed in household waste. Do not reuse packaging. Dispose of packaging when empty.

#### CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once, unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
