

GREENADE GS

GROWING SEASON TURF PIGMENT

TURF AND SOIL SOLUTIONS

Greenade GS is a powerful dark green pigment for use on various turf grass. It is designed for use during the growing season to enhance and protect turf from stress.

DIRECTIONS FOR USE & SUGGESTED RATES

SHAKE WELL BEFORE EACH USE

Always test compatibility with other spray additives first before adding to the tank. Add Greenade GS after the spray tank is 85% full. Turn on agitation before adding and allow to thoroughly mix before spraying. Do not spray on non turf areas as staining will occur.

ADD SUGGESTED OUNCES TO 50 GALLONS OF WATER OR MORE PER ACRE

Greenade GS	Area Treated	Turf Condition
16 ounces	1 Acre	Healthy, fully growing
16 - 32 ounces	1 Acre	Stressed, Discolored Turf

Do not apply to fully dormant turf

FOR BEST RESULTS: Minimum spray output of 50 gallons per acre or more can be achieved with proper nozzle sizing and will deliver single pass results. Always use even distribution flat fan nozzles. Make sure nozzles are clean and functioning properly to avoid streaking and overlapping. Nozzle quality and condition will affect spray pattern and appearance of the turf. Ensure nozzle spacing with 50% overlap between each nozzle. Do not use more than the recommended rates. Using higher or lower than recommended rates will cause unfavorable results to turf color and length between spray intervals. Recommended Spray Intervals can be 1-2 weeks

NOTICE: Keep from freezing. Do not reuse container. Wear protective goggles and clothing. If spilled use dry media to absorb liquid. Dispose of in accordance to local, state, and federal regulations.

Caution: For professional use only. Keep out of reach of children. Do not take internally. If eye contact occurs, flush with water and consult a physician. If ingested, dilute with water and contact a physician.

SELLER, AND Turf and Soil Solutions MAKE NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYERS OR USERS EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT.
