

GREENADE

TURF AND SOIL SOLUTIONS

Greenade is a custom formulated organic pigment based additive engineered to instantly restore and replace color loss found within a variety of grass species.

DIRECTIONS FOR USE & SUGGESTED RATES

SHAKE WELL BEFORE EACH USE

Test compatibility with other spray additives first before adding to the tank. Add Greenade after the spray tank is 85% full. Turn on agitation before adding and allow to thoroughly mix for 5 minutes. Do not spray on non turf areas as staining will occur.

MINIMUM RECOMMENDED WATER OUTPUT VOLUME 2 GAL PER 1000SQFT

Greenade	Area Treated	Turf Condition
16 - 32 ounces	1 Acre	Healthy, fully growing
32 - 64 ounces	1 Acre	Stressed & Early Dormancy
1 - 2 Gallons	1 Acre	Full Dormancy

FOR BEST RESULTS: Minimum spray output of 80 gal per acre or more can be achieved with use of proper nozzles and will deliver single pass results. Spraying the total area twice is strongly recommended when less than 80 gals per acre can be achieved. Always use even distribution flat fan nozzles rated at least .8 gallons per min @ 40 psi or larger, especially in early and full dormancy conditions. Nozzle quality and condition will affect spray pattern and could cause streaking. Ensure nozzles are spraying 50% overlap inside the boom at each nozzle. Do not use more than 3oz of concentrate per gal of water as this will create an undesirable color outcome on the turf over time.

NOTICE: Keep from freezing. Do not reuse container. Wear protective goggles and clothing. If spilled use dry media to absorb liquid. Dispose of in accordance to local, state, and federal regulations.

Caution: For professional use only. Keep out of reach of children. Do not take internally. If eye contact occurs, flush with water and consult a physician. If ingested, dilute with water and contact a physician.

SELLER, AND Turf and Soil Solutions MAKE NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THE BUYERS OR USERS EXCLUSIVE REMEDY FOR ANY INJURY, LOSS, OR DAMAGE RESULTING FROM THE HANDLING OR USE OF THIS PRODUCT SHALL BE LIMITED TO ONE OF THE FOLLOWING: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT.
