## Our Clinic Directions

Our clinic is located on LEVEL 1 at Kingswood Health Centre. You can access it via the main reception or the entrance by the pharmacy outside.

You **DO NOT** need to report to the main reception first. Please come straight upstairs. There is a lift and stairs to access LEVEL 1. Please follow the signs.

Once upstairs there is another waiting area, where you can sit before your appointment. Please just take a seat.

## Car Park Guide

The main car park is located at the front of the health centre.

You will see signs suggesting "20 minutes free" **but please ignore this.**

Once inside you have to input your car registration into the tablet outside our clinic room or in the main reception. This will void any parking restrictions. Don't worry if you forget, we will remind you.

If for some reason there is an error and you receive a parking fine, please don't panic. Simply email us with the parking fine details and your car registration and we will get it cancelled. Contact details are above.
