There is parking available at the front of the GP Practice and around the back. Parking is limited in both areas, so please give yourself plenty of time to park. If you can't find a space there is free parking on the streets nearby.

Please see the map below for how to access it.

Our clinic room is located on the ground floor of Bridge View Medical. As you enter the main entrance please look **LEFT** and you will see our signs and "Room 1 & 2". By this door you will see a yellow seating area.
