File No.: 74349.1

I, Wade Tyler Eno, of the Town of Sylvan Lake, in the Province of Alberta, SWEAR AND SAY THAT:

1. I am a Director and the Chief Operating Officer of ONSITE3D Ltd., ONSITE3D Industrial Services Ltd., and ONSITE3D Digital Solutions Ltd. (each a "**Company**" and collectively, the "**Companies**"), and as such, I have personal knowledge of the facts and matters hereinafter deposed to, except where stated to be based on information and belief, and where so stated, I believe the same to be true.
2. I swear this Affidavit in support of the Companies' Application for a First Extension Order (the "**Application**") seeking, among other things:
  - (a) an extension of the 30-day period within which the Companies are required under section 50.4(8) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 (the "**BIA**") to file a proposal, by an additional 45 days to September 5, 2026, pursuant to section 50.4(9) of the *BIA* (such period, as extended from time to time, being the

**"Stay Period"**, and the date on which the Stay Period expires being the **"Expiry Date"**);

- (b) the joint administration of the NOI proceedings of the Companies, for administrative purposes; and
  - (c) declaring that legal counsel to the Companies, Ogilvie LLP, G. Chan & Associates Inc. in its capacity as proposal trustee (the **"Proposal Trustee"**), and the Proposal Trustee's legal counsel, Sharek Logan & van Leenen LLP (collectively, the **"Administrative Professionals"**), shall have the benefit of a security and charge (the **"Administration Charge"**) on all of the Companies' present and after-acquired property (the **"Property"**) as security for their reasonable professional fees and disbursements incurred both before and after the granting of the requested Order, which Administration Charge shall be in an amount not to exceed \$250,000, and authorizing the payment to the Administrative Professionals of their reasonable fees and disbursements incurred in connection with the proposal proceedings (the **"Proposal Proceedings"**).
- 3. ONSITE3D Ltd. (**"Onsite3D"**) is incorporated pursuant to the laws of the Province of Alberta. Attached as **Exhibit "A"** to this Affidavit is a copy of a corporate search for Onsite3D obtained from the Alberta corporate registry, confirming the Company's incorporation and my appointment as a director.
  - 4. ONSITE3D Industrial Services Ltd. (**"Onsite3D Industrial"**) is incorporated pursuant to the laws of the Province of Alberta. Attached as **Exhibit "B"** to this Affidavit is a copy of a corporate search for Onsite3D obtained from the Alberta corporate registry, confirming the Company's incorporation and my appointment as a director. Onsite3D Industrial is wholly owned by Onsite3D.
  - 5. ONSITE3D Digital Solutions Ltd. (**"Onsite3D Digital"**) is incorporated pursuant to the laws of the Province of Alberta. Attached as **Exhibit "C"** to this Affidavit is a copy of a corporate search for Onsite3D obtained from the Alberta corporate registry, confirming the Company's incorporation and my appointment as a director. Onsite3D Digital is wholly owned by Onsite3D.
  - 6. Onsite3D, Onsite3D Industrial and Onsite3D Digital are collectively referred to in my Affidavit as the **"Onsite3D Group"**.

### **Background**

- 7. Onsite3D Group is an Indigenous-owned business group recognized as a Certified Indigenous Business by the Canadian Council for Indigenous Business. Its business model combines engineering, construction, and procurement (**"EPC"**) work, with the Onsite3D Group acting as an Indigenous prime contractor that can both manage projects and perform key technical work itself.
- 8. Most of the Onsite3D Group contracts and assets are owned by the parent company, Onsite3D. Onsite3D's subsidiaries each carry out distinct functions of the EPC model.
- 9. Onsite Industrial operates as an advanced manufacturing platform. Onsite3D Industrial operates out of a leased premises at 8701 – 102 Street, Clairmont, Alberta, pursuant to a

lease agreement (the “**Lease**”) entered into between Onsite3D and Roscher Ventures Ltd. (“**Roscher Ventures**” or the “**Landlord**”).

10. Onsite3D Group’s advanced manufacturing platform uses specialized equipment such as robotic welders to automate industrial manufacturing work, specifically in the oil and gas industry.
11. Onsite Digital represents the Onstie3D Group’s scalable technology arm. Onsite3D Group’s digital engineering platform is comprised of digital asset catalogs, “digital twin” work, and other engineering-related software and data tools used by industrial customers to understand, manage, and improve their physical assets.
12. Onsite3D Group’s digital engineering technology has won numerous awards and has high growth potential. Most of the Onstie3D Group employees are employed by Onsite Digital.
13. Despite the success of the Onsite3D Group over the past decade, poor financial controls in the start-up phase as well as expensive factoring debt, CRA exposure, and certain major creditors taking legal and enforcement action (as discussed below) have contributed to the insolvency of the Companies.
14. Prior to filing the NOIs, the Onsite3D Group was preparing for a business reorganization which was aimed at finding a buyer or partner for the manufacturing side while focusing the Companies’ future growth on the digital engineering side.
15. The wind-down and attempted marketing and sale of the manufacturing platform has increased the cash burn of the Onsite3D Group significantly, as there has been no manufacturing revenue generated by Onsite3D Industrial, despite ongoing obligations to maintain physical assets and Lease obligations.
16. Although the Onsite3D Group continues to generate cash flow, this cash flow is insufficient to service its obligations.

#### **Notice of Intention to Make a Proposal**

17. On June 22, 2026, each of the Companies filed a Notice of Intention to make a Proposal (“**NOI**”) pursuant to section 50.4 of the BIA with the Office of the Superintendent of Bankruptcy. G. Chan & Associates Inc. was appointed as Proposal Trustee in each of the proceedings.
18. Attached as **Exhibits “D”, “E”, and “F”** to this Affidavit are copies of NOIs of Onsite3D, Onsite3D Industrial, and Onsite3D Digital filed June 22, 2026.

#### **Current Operations**

19. Since the NOI filing, the Companies have:
  - (a) worked cooperatively with the Proposal Trustee to manage cashflow;
  - (b) worked diligently with the Proposal Trustee and its legal counsel to identify and quantify creditor claims; and

- (c) acted and are continuing to act in good faith and with due diligence in completing the preliminary work and preparation with efforts to make proposals to their creditors.

### **Creditors and Outstanding Proceedings**

- 20. The Companies owe substantial amounts to secured creditors, the Canada Revenue Agency ("**CRA**"), and are subject to several outstanding judgments, claims, and proceedings. Each of these obligations has contributed to the urgency of filing the NOI and the need for the stay of proceedings afforded by the BIA.

### **Factoring Companies**

- 21. The main financiers of the Onsite3D Group are two factoring companies – Capital Now Ventures Inc. ("**CNV**"), and 1146991 Alberta Inc., operating as Factors Western ("**Factors Western**").
- 22. Onsite3D is indebted to Factors Western in the approximate amount of \$14,067,982.
- 23. Onsite3D is allegedly indebted to CNV in the approximate amount of \$751,529.73, which amounts are in dispute and subject of the CNV Action as defined below.
- 24. On December 22, 2025, CNV filed a Statement of Claim in the Court of King's Bench of Alberta, Calgary Judicial Centre, Action No. 2501 20942 (the "**CNV Action**") against Onsite3D and its directors, Wade Eno and Kyle Pickering (the "**CNV Action Defendants**"). The CNV Action seeks judgment in the amount of \$1,800,069.15 relating to amounts allegedly owing pursuant to a Master Factoring Agreement entered into between CNV and Onsite3D.
- 25. On December 23, 2025, CNV issued Onsite3D a section 244 Notice of Intention to Enforce Security pursuant to the BIA, putting Onsite3D on notice that it intended to enforce its security (the "**244 Notice**").
- 26. The CNV Defendants filed a Statement of Defence and Counterclaim in the CNV Action, which litigation remains ongoing.

### **Canada Revenue Agency**

- 27. The Companies owe substantial amounts to the CRA in unremitted source deductions and unremitted Goods and Services Tax ("**GST**") as follows:
  - (a) Onsite3D owes approximately \$1,625,607.07 in unremitted source deductions and approximately \$695,595.43 in unremitted GST;
  - (b) Onsite3D Industrial owes approximately \$2,787,473.29 in unremitted source deductions and approximately \$377,253.69 in unremitted GST;
  - (c) Onsite3D Digital owes approximately \$2,478,221.04 in unremitted source deductions and approximately \$586,561.19 in unremitted GST.

28. The CRA has filed Writs of Seizure and Sale (Federal Writ) against each of the Companies in the PPR in relation to these outstanding obligations.
29. Attached as **Exhibits "G", "H", and "I"** to this Affidavit are copies of PPR searches of Onsite3D, Onsite3D Industrial, and Onsite3D Digital conducted on June 23, 2026.

Judgment Creditors

30. Onsite3D has several judgment creditors who have active registered writs at the PPR, including:
  - (a) Russel Metals Inc. o/a Comco Pipe & Supply Company in the amount of \$12,899.55;
  - (b) Swift Oilfield Supply Inc. in the amount of \$63,109.83;
  - (c) Corex Concrete Cutting Ltd. in the amount of \$27,665.32;
  - (d) Hitch'em Holdings Ltd. o/a Hitch'em Oilfield Hauling in the amount of \$32,866.20;
  - (e) Electric Line Service Ltd. in the amount of \$112,578.78;
  - (f) Skyway Canada Limited in the amount of \$43,642.92;
  - (g) Accu-Pro Consulting Inc. in the amount of \$26,825.16; and
  - (h) Channico Machine & Millright Services Ltd. in the amount of \$29,194.00.

Roscher Ventures Claim

31. On June 18, 2026, Roscher Ventures sent a notice of default and demand for payment to Onsite3D with respect to arrears allegedly owing under the Lease (the "**Demand Letter**").
32. On June 19, 2026, I was served with a Statement of Claim filed by Roscher Ventures in Court of King's Bench Action No. 2604 00469 (the "**Roscher Ventures Claim**"). The Roscher Ventures Claim alleges that I am personally liable for Onsite3D's obligations under the Lease pursuant to a purported personal guarantee. The Roscher Ventures Claim seeks remedies against me in my personal capacity, including judgment in the amount of \$344,272.00 in rental arrears.

Cash Flow Statement

33. The Companies, with the assistance of the Proposal Trustee, have each prepared a 13-week projected cash flow statement (collectively, the "**Cash Flow Statements**"), for the period commencing June 22, 2026 and ending September 18, 2026, in accordance with the requirements of the BIA. The Cash Flow Statement has been reviewed and signed by both myself and the Proposal Trustee.
34. Attached as **Exhibit "J"** to this Affidavit is a copy of the Cash Flow Statement of Onsite3D Ltd.;

35. Attached as **Exhibit “K”** to this Affidavit is a copy of the Cash Flow Statement of Onsite3D Industrial; and
36. Attached as **Exhibit “L”** to this Affidavit is a copy of the Cash Flow Statement of Onsite3D Digital.
37. The Cash Flow Statement for Onsite3D is based on the following key assumptions:
  - (a) Collections are assumed to be collected from customers according to contracted timelines;
  - (b) Amounts earned by Onsite3D are used to fund payroll of Onsite3D Digital and Onsite3D Industrial employees;
  - (c) Wage expense arrears owed to employees to be paid to retain the Companies' workforce;
  - (d) Wages will be partially deferred week 3 to week 4 to bridge cash-flow until interim financing obtained. Assume that employees will remain;
  - (e) Debtor-in-possession financing in the amount of \$650,000 at 12% interest is assumed to be obtained to fund July's deficit after which the Company's cash-flow returns positive; and
  - (f) No creditors take steps to terminate the stay of proceedings.
38. The Cash Flow Statements for Onsite3D Industrial and Onsite3D Digital are based on the following key assumptions:
  - (a) all revenues, expenses, projections and planned cash flows are shown consolidated at Onsite3D, and only expenses related to payroll, contractor payments and Worker's Compensation Board are paid from Onsite3D Industrial and Onsite3D Digital; and
  - (b) Onsite3D is successful at obtaining interim financing.
39. The Cash Flow Statement of Onsite3D projects a closing cash balance of \$134,488, which is based on the assumption of interim financing being secured by the week ending July 17, 2026. The Companies are in the process of securing debtor-in-possession financing and expect that this timeline will be met.

**Need for Extension**

40. Since filing the NOI on June 22, 2026, the Companies have been diligently working toward formulating a proposal to their creditors but require additional time to complete this process. The initial 30-day period within which the Companies are required to file a proposal expires on July 22, 2026. The Companies respectfully request an extension of 45 days, to September 5, 2026.
41. The Companies require additional time to, among other things: (i) continue its discussions with the Proposal Trustee regarding the identification and quantification of all creditor claims; (ii) explore and evaluate restructuring alternatives, including a potential sale of all

or part of the Companies' assets as a going concern; (iii) negotiate the terms of an interim financing facility with a potential interim lender to fund the Companies' ongoing operations during the Proposal Proceedings; and (iv) formulate and present a viable proposal to its creditors. The Companies anticipate that the requested 45-day extension to September 5, 2026 will provide sufficient time to advance these objectives materially.

42. I believe that the statutory preconditions for an extension under section 50.4(9) of the *BIA* have been satisfied: (i) the Companies have acted and continues to act in good faith and with due diligence; (ii) the Companies would likely be able to make a viable proposal if the extension were granted; and (iii) no creditor would be materially prejudiced if the extension were granted.

#### **Good Faith Efforts**

43. The Companies have acted and continue to act in good faith and with due diligence in completing the preliminary work and preparation necessary to formulate a proposal to their creditors.
44. Since the NOI filing, the Companies have cooperated fully with the Proposal Trustee and have provided all requested information and documentation.

#### **Benefit of Proposal Proceedings Relative to Bankruptcy**

45. I believe that the Proposal Proceedings offer a significantly better outcome for the Companies' creditors and other stakeholders than would result from a bankruptcy. Onsite3D, the main economic driver of the Onsite3D Group, continues to preform specialized work pursuant to its digital engineering platform contracts. In a bankruptcy, the assets of the Companies — including specialized robotic, digital technology, and engineering equipment — would likely be liquidated under distressed conditions, resulting in significantly reduced realizations for creditors.
46. By contrast, the Proposal Proceedings provide the Companies with the opportunity to restructure its obligations, reorganize its operations, and continue operating for the benefit of all stakeholders, including creditors, employees, and clients that depend on the Companies' operations. The Companies' management team is taking steps to reduce operating costs of the Onstie3D Group, and with the benefit of the requested extension and interim financing, I believe the Companies will be in a position to present a viable proposal to their creditors.

#### **Administration Charge**

47. To develop and present a viable proposal to its creditors, the Companies require legal advice and representation from the Administrative Professionals, all of whose continued support and advice are crucial to the Companies' ability to put forth a viable proposal.
48. To continue to retain the services of the Administrative Professionals, it is necessary for the Companies to obtain the Administration Charge over all of the Companies' present and after-acquired Property in the aggregate amount not to exceed \$250,000 to secure the professional fees and disbursements of the Administrative Professionals incurred both before and after the granting of the requested Order. The proposed quantum of the Administration Charge has been determined with the assistance of the Proposal Trustee,

49. The Companies seeks the administrative consolidation of the three NOI proceedings to allow for a single, Court-supervised process.
50. The Companies are closely aligned and share accounting, administration, human resources, and financial functions.
51. A consolidated administration of the NOIs would promote efficiency and reduce professional costs for the Companies by avoiding duplication of Court applications, reporting, and administrative processes.

52. To the best of my knowledge, information and belief, no creditor of the Companies will be materially prejudiced if the Companies were granted:

- (a) an extension of time of 45 days (i.e., until 11:59 p.m. Mountain time on September 5, 2026) to file a proposal to its creditors;
- (b) a consolidation of the NOI proceedings of the Companies; and
- (c) the Administration Charge over the Companies' Property in an amount not to exceed \$250,000.

53. I make this Affidavit in support of the Companies' Application for a First Extension Order, Administration Charge and Consolidation Order, and for no other or improper purpose.

Onsite3D Ltd.  
(the "Company")**

**Notes to the Statement of Projected Cash Flow  
For the 13-week period ending September 18, 2026**

**Purpose and Basis of Presentation of the Statement of Projected Cash-Flow**

- 1 The Statement of Projected Cash-Flow has been prepared solely for the purposes of the proposal proceedings of the Company pursuant to the *Bankruptcy and Insolvency Act* and readers are cautioned that it may not be suitable for other purposes.

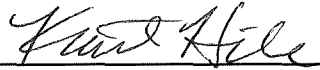

**Hypothetical Assumptions**

- 2 Collections are assumed to be collected from customers according to contracted timelines.
- 3 The Company is the parent company of Onsite3D Industrial Services Ltd. ("OS3D IS") and Onsite3D Digital Solutions Ltd. ("OS3D DS") (collectively, "Subsidiaries"). All contracts are at the Company level but the majority of employees are employed by the Subsidiaries and amounts are made available from the Company to fund payroll.
- 4 Wage expense arrears owed to employees to be paid to retain the Company's and Subsidiaries workforce.
- 5 Partial deferment of wages from week 3 to week 4 to bridge cash-flow until interim financing obtained. Assume that employees will remain.
- 6 Debtor-in-possession financing in the amount of \$650,000 at 12% interest is assumed to be obtained to fund July's deficit after which the Company's cash-flow returns positive.
- 7 It is assumed that creditors take no steps to terminate the stay of proceedings.

**Probable Assumptions**

None.
