I, KYLE PICKERING, of the CITY of CALGARY, in the Province of Alberta,  
SWEAR AND SAY THAT:

1. I am a Director and the Chief Technology Officer of ONSITE3D Ltd., ONSITE3D Industrial Services Ltd., and ONSITE3D Digital Solutions Ltd. (each a "**Company**" and collectively, the "**Companies**" or **Onsite3D Group**"), and as such, I have personal knowledge of the facts and matters hereinafter deposed to, except where stated to be based on information and belief, and where so stated, I believe the same to be true.
2. I swear this Affidavit in support of the Companies' Application for a DIP Financing Approval Order (the "**Application**") seeking, among other things:
  - (a) approving an interim lending term sheet for debtor-in-possession financing (the "**DIP Term Sheet**") to be entered into between the Companies and Turtle Island Engineering & Consulting Ltd. (the "**Interim Lender**"), and declaring that all present and after acquired personal property of the Company is subject to a security and charge (the "**Interim Lender's Charge**") in favour of the Interim Lender to secure the payment and performance of the Companies' indebtedness, liabilities and obligations under the DIP Term Sheet; and

- (b) declaring that the Administration Charge granted in favour of the Companies' counsel and the Proposal Trustee and its counsel, and the Interim Lender's Charge (collectively, the "**BIA Charges**") are priority charges ranking ahead of any and all charges, security interests, liens, trusts, deemed trusts, and encumbrances against the Property, including liens and trusts created by federal and provincial legislation, and that the BIA Charges rank, as between themselves, in the following order of priority: (i) first, the Administration Charge; and (ii) second, the Interim Lender's Charge.

### **Background**

- 3. ONSITE3D Ltd. ("**Onsite3D**"), ONSITE3D Industrial Services Ltd. ("**Onsite3D Industrial**"), and ONSITE3D Digital Solutions Ltd. ("**Onsite3D Digital**") are incorporated pursuant to the laws of the Province of Alberta.
- 4. Onsite3D Group is an Indigenous-owned business group recognized as a Certified Indigenous Business by the Canadian Council for Indigenous Business. Its business model combines engineering, construction, and procurement ("**EPC**") work, with the Onsite3D Group acting as an Indigenous prime contractor that can both manage projects and perform key technical work itself.
- 5. Prior to filing the NOIs, the Onsite3D Group was preparing for a business reorganization which was aimed at finding a buyer or partner for the Companies' manufacturing operations while focusing the Companies' future growth on its digital engineering operations.
- 6. The wind-down and attempted marketing and sale of the manufacturing platform has increased the cash burn of the Onsite3D Group significantly, as there has been no manufacturing revenue generated by Onsite3D Industrial, despite ongoing obligations to maintain physical assets and Lease obligations.
- 7. Although the Onsite3D Group continues to generate cash flow, this cash flow is insufficient to service its obligations.

### **Notice of Intention to Make a Proposal**

- 8. On June 22, 2026, each of the Companies filed a Notice of Intention to make a Proposal ("**NOI**") pursuant to section 50.4 of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 (the "**BIA**") with the Office of the Superintendent of Bankruptcy. G. Chan & Associates Inc. was appointed as proposal trustee in each of the proceedings (the "**Proposal Trustee**").
- 9. On the application of the Companies, this Court granted an Order extending the stay of proceedings to September 5, 2026, granting an administration charge on the Companies' property in favour of the Companies' counsel and the fees of the Proposal Trustee and its counsel (the "**Administration Charge**"), and administratively consolidating the three estates into one proceeding under Court of King's Bench Action no. 24-3389146 (B303 389146) on July 9, 2026 (the "**First Extension Order**").
- 10. Since the NOI filing, the Companies have:
  - (a) worked cooperatively with the Proposal Trustee to manage cashflow;

- (b) worked diligently with the Proposal Trustee and its legal counsel to identify and quantify creditor claims;
- (c) solicited potential interim financing agreements with interim lenders;
- (d) negotiated and entered into the DIP Term Sheet with the Interim Lender;
- (e) hired a Chief Financial Officer;
- (f) secured approval for new contracts which would generate value for the Estates; and
- (g) acted and are continuing to act in good faith and with due diligence in completing the preliminary work and preparation with efforts to make proposals to their creditors.

#### **Cash Flow Statement**

- 11. The Companies, with the assistance of the Proposal Trustee, have each prepared a 13-week projected cash flow statement (collectively, the "**Cash Flow Statements**"), for the period commencing June 22, 2026 to September 18, 2026 in accordance with the requirements of the *BIA*. The Cash Flow Statement has been reviewed and signed by both myself and the Proposal Trustee.
- 12. Attached as **Exhibit "A"** to this Affidavit is a copy of the Cash Flow Statement of Onsite3D Ltd.;
- 13. Attached as **Exhibit "B"** to this Affidavit is a copy of the Cash Flow Statement of ONSITE3D Industrial;
- 14. Attached as **Exhibit "C"** to this Affidavit is a copy of the Cash Flow Statement of ONSITE3D Digital; and
- 15. The Cash Flow Statements are based on several key assumptions, including the material assumption that the Companies are able to obtain interim financing by the week ending July 17, 2026.
- 16. The Cash Flow Statement therefore projects that the Companies will be in a cash positive position only if interim financing is obtained by the week ending July 17, 2026.

#### **Interim Financing**

- 17. As the Cash Flow Statement demonstrates, the Companies' operating cash flows alone are insufficient to fund both its ongoing operations and the professional fees and costs associated with the proposal proceedings. Without access to interim financing, the Companies will be unable to sustain its operations and formulate a viable proposal, which would result in a bankruptcy that I believe would produce a significantly worse outcome for creditors.
- 18. The Companies have negotiated an interim lending term sheet with the Interim Lender (the "**DIP Term Sheet**") pursuant to which the Interim Lender has agreed to provide the Companies with debtor-in-possession financing to fund the Companies' operations and

working capital requirements during the proposal proceedings, as well as the professional fees and expenses incurred in connection therewith (the "DIP Loan"). Attached as **Exhibit "D"** to this Affidavit is a copy of the DIP Term Sheet.

19. The Interim Lender is a related entity to the Companies. Attached as **Exhibit "E"** is an Alberta Corporate Search of the Interim Lender dated July 20, 2026.
20. The DIP Loan is required for the Companies to be able to meet critical payroll obligations and remittances to the Canada Revenue Agency. Up to \$150,000 has already been made available to the Companies in order to make these critical payments.
21. The financing provided under the DIP Term Sheet is necessary to bridge the Companies' projected cash flow deficit during the proposal proceedings and to ensure that the Companies have sufficient liquidity to: (i) continue its operations and meet post-filing obligations to essential suppliers, the Canada Revenue Agency, and employees; (ii) fund the professional fees and disbursements incurred by the Companies and the Proposal Trustee; and (iii) advance the formulation of a proposal for the benefit of the Companies' creditors. I believe the terms of the DIP Term Sheet are fair and reasonable in the circumstances and that the interim financing is in the best interests of the Companies and their stakeholders.
22. It is a condition of the DIP Term Sheet that the Interim Lender be granted a priority charge on the Companies' property, assets, rights and undertakings, real and personal, moveable or immovable, tangible and intangible, legal or equitable, of whatsoever nature and kind, wherever located, both present and future, and now or hereinafter owned or acquired (the "Property") to secure amounts advanced under the DIP Term Sheet. The Companies seek an Order declaring that the Property is subject to the Interim Lender's Charge in favour of Turtle Island Engineering & Consulting Ltd.

#### **Good Faith Efforts**

23. The Companies have acted and continue to act in good faith and with due diligence in completing the preliminary work and preparation necessary to formulate a proposal to their creditors, which efforts include negotiating and entering into the DIP Term Sheet.

#### **Priority of the BIA Charges**

24. The Companies seek a declaration from this Honourable Court that the BIA Charges against the Property rank in priority to all charges, security interests, liens, trusts, deemed trusts, and encumbrances against the Property, including liens and trusts created by federal and provincial legislation, and that the BIA Charges rank, as between themselves, in the following order of priority: (a) first, the Administration Charge; and (b) second, the Interim Lender's Charge.
25. The proposed priority ranking is necessary and appropriate in the circumstances. The Administration Charge is ranked first because the continued engagement of the administrative professionals is essential to the success of the proposal proceedings, and these professionals would be unable to continue providing their services without adequate security for their fees. The Interim Lender's Charge is ranked second, as the Interim Lender has required a priority charge as a condition of providing the DIP financing, and the Companies would be unable to fund its operations during the Stay Period without

access to this facility. The Proposal Trustee is supportive of the proposed priority ranking of the BIA Charges.

### Creditor Support

26. It is my understanding that 1146991 Alberta Inc., a major secured creditor of the Onsite3D Group, is supportive of the DIP Term Sheet.

## Conclusion

27. To the best of my knowledge, information and belief, no creditor of the Companies will be materially prejudiced if the Companies were granted:
  - (a) approval of the DIP Term Sheet, the DIP Loan, and the Interim Lender's Charge in favour of Turtle Island Engineering & Consulting Ltd.; and
  - (b) the proposed priority ranking of the BIA Charges.
28. I make this Affidavit in support of the Companies' Application for a DIP Financing Approval Order, the BIA Charges and the priority rankings requested in this Affidavit, and for no other or improper purpose.
