EUROPEAN DISTRIBUTION & EXPORT

Europese distributie en export - Distribution européenne et exportation - Europäischer Vertrieb und Export

Galana Seafood is committed to providing the best frozen fish and shellfish, selected with care and sourced from trusted suppliers worldwide. We strive for excellence in customer focus by providing flexible, fast and reliable service.

Our goal is to exceed our customers' expectations with products that add value to their meals every day. At Galana Seafood, quality and customer satisfaction are always our driving force.

From premium everyday staples to innovative, ready-to-serve appetizers, we aim to inspire your culinary creations with products that never compromise on taste, freshness, or quality.

One Family, Four Expert Brands

To serve every segment of the market, Galana Seafood operates four distinct brands.

The gold standard for frozen seafood. A comprehensive range of fish and crustaceans selected for their freshness and nutritional value.

The Ebi brand continues its legacy of excellence, specializing in high-quality shrimps that meet the strictest quality controls.

Cielo proves that quality doesn't have to be expensive. Cielo offers a smart, budget-friendly selection of shrimp without sacrificing our commitment to responsible sourcing.

Your go-to brand for "value-added" appetizers. Deliboy transforms quality shrimp into delicious, party-ready finger foods.

Quality & Certificates

Galana Seafood stands for reliability and premium taste. Our operations are IFS certified, reflecting our commitment to the highest food safety standards. With a focus on sustainability through MSC-and ASC-recognized sourcing, we provide our customers with top-tier seafood that is responsibly caught and expertly handled.
