

**Managed Care Sanitation Program Agreement**

This **Managed Care Sanitation Program Agreement** is made between All Florida Paper, Inc (AFP) and \_\_\_\_\_ (Customer), located at \_\_\_\_\_ on \_\_\_\_\_, 20\_\_\_\_\_.

In today’s economy, many organizations are looking for consolidation of their suppliers to reduce any administrative costs. In response to this, All Florida Paper (AFP) has developed a full service Managed Care Program.

Under the AFP Managed Care Program, we have eliminated three components that are barriers of entry.

- 1. Capital Cost of Equipment
- 2. Installation and Service
- 3. Account Management

Once the Managed Care Program is in place and agreed upon by the customer and All Florida Paper, we are ready to begin our relationship. We will conduct a pre-installation survey, select the appropriate dispensing equipment and commence servicing your business with preventive maintenance on your dispensing equipment, as well as emergency service which may be required at times.

We agree to provide the dispensing equipment to the customer at no charge and service the dispensing equipment as long as you purchase from AFP on an exclusive basis, all your sanitation for twelve months from the date of this agreement. This agreement may only be terminated in writing by either party after the initial twelve-month term of this agreement. After the initial twelve-month term of this agreement, all provisions in this agreement will survive indefinitely until either party terminates the agreement in writing with a 30-day notice required. The dispensing equipment will always remain the property of All Florida Paper.

The discount prices of the chemicals do not reflect the cost and expenses of the equipment and installation, as well as the upkeep of the dispensers. In the event the customer decides to terminate this agreement before the twelve months, the customer will be charged according to the invoice amount for the dispensing equipment and the installation and de-installation of the equipment.

In the event the customer decides not to continue with the Managed Care Program being offered by AFP after the twelve months of this agreement and having properly notified All Florida Paper in writing to terminate this program, All Florida Paper will de-install all dispensing equipment at no charge.
