

WHY ALL FLORIDA PAPER

Founded in 1993, All Florida Paper is the largest independently owned and operated distributor of food packaging disposables, janitorial supplies, and chemicals in the state of Florida. All Florida Paper, a family-owned and minority-owned business, is also one of the leading distributors of its kind in the United States. From our 200,000 ft.² headquarters in Medley, FL, we service most of the state of Florida and export to over 25 countries.

At All Florida Paper, we believe that it's all about our customers. We aim to make our customers' disposable food packaging, janitorial, and sanitation supply needs a seamless part of their operations. We save them time, headaches, and money through innovative products, superb service, competitive pricing, and transparency throughout our relationship.

When you do business with All Florida Paper, you won't just have a supplier; you'll have a partner.
