Dear Kari-Out® & SQP Customers,

Kari-Out & SQP continue to strive to meet our customers' expectations and to be the supplier of choice by offering competitive pricing in the market.

Due to increased costs of raw material, ocean freight, transportation, and handling, we are forced to implement a price increase on the following items effective on August 16, 2024:

Product Name/Groups	Increase %
Straws	6%
All Chopsticks	6%

**The increase will take effect with all orders placed on or after August 16,2024. Orders placed on or after this date, must be submitted at the new price. Kari-Out® will be limiting quantities to no more than your monthly usage. All contracted pricing with scheduled price reviews will be increased at the time of review, per the terms of the agreement.**

We would not bring such a price increase to you unless it was necessary. As always, we greatly appreciate your valued business and support. Thank you very much for your understanding and continued support.

Best Regards,

Kari-Out Company
