9" x 9" 3CP

PRODUCT FEATURES:

- > Ideal for cold or hot food, especially for steamy servings and fried items
- > Vented lids allow steam to escape effectively and help prevent food from becoming soggy
- > Polypropylene material keeps hot foods warmer during transport
- > Enhances your food presentation for third-party home deliveries and take-out service
- > Adds elegance to grab 'N' go displays
- > Suitable for use under heating lamps
- > Clear containers make it easy to quickly identify contents
- > Stackable for space maximization
- > Easy grip tabs for effortless closing and opening
- > Microwave-safe and dishwasher-safe for easy reusability, which your customers will appreciate
