## How To Measure

Fluted Loaf Pan Liners	Fluted Round Pan Liners
 <ol style="list-style-type: none"> <li>1. Measure outside bottom length</li> <li>2. Measure outside bottom width</li> <li>3. Measure inside depth (wall height)</li> </ol>	 <ol style="list-style-type: none"> <li>1. Measure outside bottom diameter</li> <li>2. Measure inside depth (wall height)</li> <li>3. Measure bottom diameter of tube (if applicable)</li> </ol>
Round Fluted Cups	Oblong and Oval Fluted Cups
 <ol style="list-style-type: none"> <li>1. Measure base</li> <li>2. Measure wall height</li> <li>3. Lay fluted cup flat to determine blank size (Blank size can also be determined by wall height x 2 plus base)</li> </ol>	 <ol style="list-style-type: none"> <li>1. Lay fluted cup flat to determine blank size/diameter</li> <li>2. Measure base</li> <li>3. Measure wall height</li> </ol>

## Information Needed For Ordering

### Three Methods to Order Fluted Cups and Pan Liners from your Pactiv Representative.

#### 1. Send a sample:

If you are currently using cups, send a sample; if a sample has been submitted to you for a trial, return to ensure exact duplication.

#### 2. Send a pan:

Tell us the height of the cup required and send the baking pan. We will return your samples promptly with free trial fluted cups for your approval.

#### 3. Send measurements:

If samples are not available, just provide measurements as noted above.

## Custom Capabilities-Candy Padding

Whether it's padding for an existing package, a new package design, or research for alternative packaging solutions...Pactiv is the right solution!

All candy padding is **customized** to satisfy your individual requirements.

Candy padding is available in a range of thickness--from Two-Ply Deco Pad and Two-Ply Pebble Pad to Three-Ply, Five-Ply, Eight-Ply and Ten-Ply Cushion Pak as well as single Glassine sheets. Pactiv also has a variety of quality materials designed to protect and preserve your finest confectionary creations.

Black Glassine

Gold Foil

Silver Foil

Chocolate Glassine

White Glassine

White Glassine with Contemporary Design

Pactiv offers over 600 die variations, including a wide range of custom sizes and shapes:

Circles

Rectangles

Hearts

Squares

Ovals

Custom die-cutting is available for all unique sizes and shapes.

Pactiv can print, emboss and hot stamp decorations, seasonal enhancements, logos and any other type of branding to products.

**Check with your Pactiv Sales Representative for availability and lead times.**
