Recessed cabinets

Identifying your cabinet

Measure your cabinet:

Height → from the mouth to the top using the back wall

Width → consider the whole cabinet, like if there were no inner wall

Depth → from the back wall to the edge

Tork PeakServe® Recessed adapters will fit if...

Height is more than 17.4" / 442mm

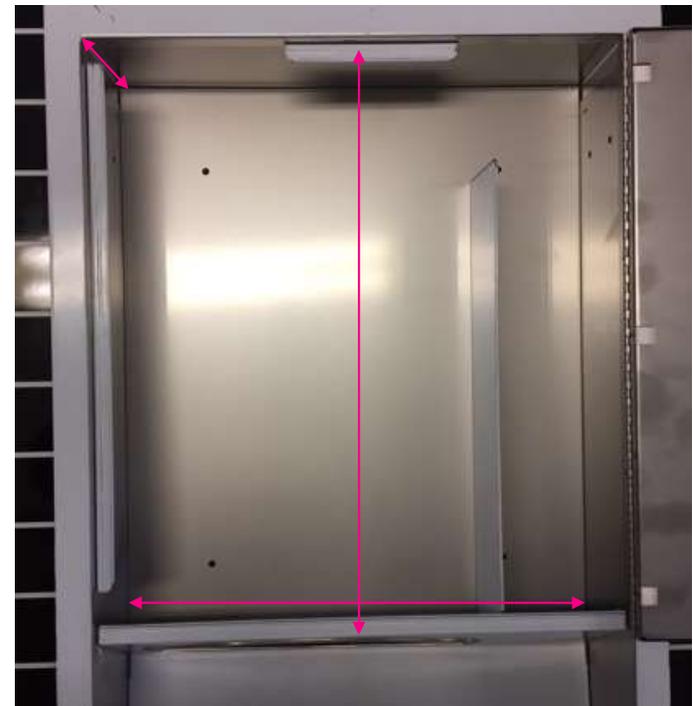

If more than 20.1" / 511mm → use large adapter to maximize capacity

Width is more than 14.4" / 365mm

Depth is more than 4.5" / 114mm

Think ahead.
