

Novipax UltraZap® SpillGuard Cooler Sock Floor Pad

Item # NOVI012460

Absorbs leaks, condensation, and spills under refrigerated and frozen sections to help protect your facility against slip and fall accidents minimizing liability damages for negligence.

- ▶ Prevents against spills leaking into aisles where people could slip; plus, its highly visible Safety Orange alerts of possible hazard.
- ▶ Sleek size and shape is ideal for placement under refrigerated and frozen cases.
- ▶ 27" x 4.5" pad is packed with super absorbent polymers (SAP) and safely absorbs up to 40 oz. (Absorbency specs based on distilled water.)
- ▶ Requires 50% less storage space than absorbent socks and booms.
- ▶ Ideal for: supermarkets, club stores, restaurants, drug stores, office complexes, airports, food processors, packaging plants, breweries...
- ▶ Packed 400/Case.
