

Clorox Healthcare® Fuzion® Cleaner Disinfectant

Item # CLOR222155

Now you can use bleach in more places than ever before. This healthcare grade cleaner disinfectant delivers fast kill times with a neutralizer that breaks down the bleach to minimize residue and odor.

- ▶ Fuzion® is approved for use against SARS-Cov2 (COVID-19) with a 1-minute contact time—EPA No. 67619-30.
- ▶ It uses a revolutionary technology to eliminate the chemical reaction that can damage surfaces and leave a residue.
- ▶ Kills 53 microorganisms in two minutes or less, with a two-minute kill time on *C. difficile* spores.
- ▶ The solution contains sodium hypochlorite and a neutralizer that, when combined, form hypochlorous acid. The result is a highly effective disinfectant with broad surface compatibility and little to no residue.
- ▶ 32 oz. / 9 per case
