

Spartan Steriphene II® Brand Disinfectant Deodorant, Spring Breeze

Item # SPAR545730

Steriphene II's dual phenolic system provides effective antimicrobial activity on hard, nonporous, environmental surfaces.

- ▶ Lysol® disinfectant sprays are unavailable; but no worries, we are bringing you an excellent comparable product to Lysol—introducing Steriphene II.
- ▶ With a 10-minute contact time, Steriphene II is approved for use against SARS-Cov-2 (COVID-19)—EPA No. 5741-22.
- ▶ Ideal for convenient disinfection after spot cleanup for areas not easily reached during routine disinfection procedures.
- ▶ Tested and shown effective against Methicillin-resistant Staphylococcus aureus (MRSA) and Vancomycin-resistant Enterococcus faecalis (VRE).
- ▶ 20 oz. can / 12 per case. Also available in Clean Fresh.
