

# Spartan Clean on the Go® NABC® Concentrate

Item # SPAR546090

A proven one step, concentrated non-acid disinfectant cleaner strong enough to kill bacteria on the inside of toilet bowls and urinals, yet mild enough to use daily on most other bathroom surfaces.

- ▶ EPA-confirmed to kill the virus that causes COVID-19 in 10 minutes.
- ▶ Excellent for everyday use for cleaning and disinfecting toilets, urinals, commodes, ceramic tile, partitions, counters, doorknobs, and walls.
- ▶ Safe to use on nearly any hard surface, NABC will not etch porcelain or harm plumbing/septic tanks when used according to directions. Even accidental spills will not result in ruined clothing or carpeting.
- ▶ Effective for cleanups per the Bloodborne Pathogen Standard, NABC delivers healthy restrooms and a signature clean fragrance. Film free!
- ▶ 2 L / 4 per case. Also available in ready to use gallons and quart containers.
