

Starco S-80 Deep Fryer Cleaner

Item #STAR282431

Use S-80 in boil-out cleaning process of your deep fat fryer for faster, efficient, and complete removal of all baked-on and embedded greases.

- ▶ S-80 powder formulation easily mixes with water in deep fried fryers making it almost effortless to effectively clean fryers.
- ▶ Non-foaming cleaning—means easier rinse of chemicals with less effort.
- ▶ Tougher than your deep fat fryers' toughest carbonized and burned on fatty soils.
- ▶ Extends the life of your oil between changes by removing the baked-on greases and carbons.
- ▶ A U.S.D.A. authorized product.
- ▶ 9 lb. container /4 per case.
