Subject: Case liners - Price Adjustment Effective May 1, 2025

At Novipax, we are committed to providing high-quality products at fair, equitable, and competitive prices. We continuously manage costs and reinvest in innovation to support our customers. However, due to rising production costs, we must implement a **flat price adjustment** for our Case liners, effective **May 1, 2025**. Your Novipax representative will provide your updated pricing details separately.

Additionally, **Case liners will be removed from POD (Proof of Delivery) lists**, meaning they will no longer be available under special pricing agreements through third-party purchasing programs.

Please note that this price adjustment **does not include any potential tariffs**. If tariffs are implemented, they will be passed through as an additional charge.

We understand that pricing changes impact your business, and our team is ready to assist in any way possible. Please don't hesitate to reach out with questions or to discuss ways to minimize any disruption.

We appreciate your partnership and look forward to continuing to serve you.

Sincerely,

Mike Sugrue

VP of Sales
