Dear Valued Customer:

Driven mainly by the impact of tariffs as well as other input cost increases, Georgia-Pacific Professional is increasing prices on Dixie® Foodservice items. Due to tariffs, prices will increase up to 6% on Cutlery (including Smartstock®, Bulk, and Wrapped), and 10% on Portion Cups and Portion Cup Lids. Prices will increase up to 12% on Single Wall Hot Cups, 9% on Lids, and 9% on Foodwrap due to costs. Some items may be going up more.

New into-stock prices will be effective July 1, 2025. Orders placed by June 30, 2025 calling for immediate shipment by July 15, 2025 will be invoiced at the current into-stock prices. All orders placed on or after July 1, 2025 will be invoiced at the new into-stock prices. June orders placed above your normal monthly average will be invoiced at the new into-stock prices. New into-stock price lists will be visible in GPXpress on May 15, 2025.

All eligible end-user price agreement prices will increase effective July 1, 2025, or upon price expiration date. Eligible end user-price agreement prices will be visible in GPXpress on May 15, 2025.

Your Georgia-Pacific Professional sales representative is available to answer any questions you may have. Thank you for your support of Georgia-Pacific Professional products.
