To Our Valued Customers:

Recently, the U.S. increased section 232 tariffs of Aluminum Products from 25% to 50%. This tariff has impacts on both Raw materials and Finished goods. Due to these higher costs, Novolex, Eco-Products & Pactiv Evergreen will be forced to increase prices up to 12% on the below products sold in the United States and all international and export markets.

- Aluminum Containers
- Aluminum Roll Foil
- Aluminum Interfold Sheets
- Foil Laminated Sheets
- Foil Laminated Bags

This increase will take effect with all purchase orders **Shipped on or after August 1, 2025 for all Pactiv customers**. For all other legacy Novolex customers pricing will take effect with all purchase orders **received on or after August 1, 2025**. All contract prices that were not guaranteed for a specified period will be subject to the above increase. Your specific post-increase prices will be sent to you shortly and you may reach out to your sales representative with any questions.

Novolex, Eco-Products & Pactiv Evergreen will not accommodate any advance buys and will reserve the right to restrict any orders which exceed normal ordering patterns or previously submitted forecasts.
